

Suggestion for incorporating the basis for DETA in article 5 of the 1958 Agreement.

The ~~competent~~ **approval** authorities of each Contracting Party applying Regulations through type approval shall, ~~send monthly~~ notify to the ~~competent~~ **approval** authorities of the other Contracting Parties **of approval of a wheeled vehicle, equipment or part that it has granted, extended, refused to grant, or withdrawn in accordance with appendix X** (placeholder) . ~~list of the wheeled vehicle, equipment or parts, approvals of which it has refused to grant or has withdrawn during that month;~~ in addition, on receiving a request from the ~~competent~~ **approval** authority of another Contracting Party applying a Regulation through type approval, it shall ~~send~~ **make available** forthwith to that ~~competent~~ **approval** authority a copy of all relevant information on which it based its decision to grant, *extend*, refuse to grant, or to withdraw an approval of a wheeled vehicle, equipment or parts to that Regulation *in accordance with appendix X.*”

Justification: appendix X will contain detailed provisions on the administrative process for notifying Contracting Parties for both system and component and IWVTA approvals including a possibility of a database.
