Informal document GRSG-103-02  
103<sup>rd</sup> GRSG, 2-5 October 2012  
Agenda item: 2

**Background information to the problems of emergency exits  
and ejection of passengers in buses**

This document is a FISITA paper which will be presented in November, at the FISITA 2012 Congress in Beijing. It is sent to GRSG, not for direct discussion, but rather providing background information and justification to the discussion of the two other informal documents GRSG-103-03 and GRSG-103-04, dealing with the subjects, mentioned in the title.
