Corrections of references to EN standards

Transmitted by the European Committee for Standardisation (CEN)

Note

Editorial corrections are needed for the following references to EN standards in RID/ADR 2013:

1. "EN 13082:2008 + A1:2011" in RID/ADR 6.8.2.6.1 needs to be amended into "EN 13082:2008 + A1:2012".
2. "EN 14638-3:2010/AC" in RID/ADR 6.2.4.1 needs to be amended into "EN 14638-3:2010 + AC:2012".
3. "EN ISO 11372:2011 Gas cylinders – Acetylene cylinders – Filling conditions and filling inspection (ISO 11372:2010)" in RID/ADR 4.1.4.1, P200(11) needs to be amended into "EN ISO 11372:2011 Gas cylinders – Acetylene cylinders – Filling conditions and filling inspection (ISO 11372:2011)".

Justification

3. Re No 1: Amendment A1 of EN 13082 was finally published in 2012 in difference to the status known at the time of the decision for adoption (Sep. 2011). INF. 37 from March 2012 indicated 2012 as the definitive year of publication.
4. Re No 2: The writing of the correction doesn't comply with the agreed one which is used throughout the regulations.
5. Re No 3: The ISO standard was published in 2011 and the final title of the EN version includes this date.
