Item 6 (b) of the provisional agenda

Proposals of amendments to RID/ADR/ADN

Proposal

1. The proposal is to amend the text of paragraph 5.5.3.3.3 as follows (new text is in bold):

Option 1

(ADR only) “Packages containing a coolant or conditioner shall be carried **in a load compartment that is isolated from the driver's cab and well ventilated. Vehicles or containers equipped with refrigerating units that must be in operation to conserve the load and carrying packages containing a coolant or conditioner do not need to meet the ventilation requirement.**”

(RID only) “Packages containing a coolant or conditioner shall be carried in well ventilated ~~vehicles~~ **wagons** and containers. **This provision does not apply to wagons or containers equipped with refrigerating units that must be in operation to conserve the load.**”

Option 2 : no ventilation requirement

(ADR only) “Packages containing a coolant or conditioner shall be carried in a load compartment which is either isolated from the driver's cab or well-ventilated.”

(RID only) “~~Packages containing a coolant or conditioner shall be carried in well ventilated vehicles~~ **wagons** and containers.”
