

Proposal for the Amendment of Regulation 131 (AEBS)

Corrigendum to the 01 Series of Amendments

A. PROPOSAL

Amend the contents list by adding a new item 12 to read:

“12. Transitional provisions 13”

Revise following page numbers as appropriate.

B. JUSTIFICATION

The agreed proposal for the 01 series of amendments to Regulation 131 (documents ECE/TRANS/WP.29/2011/93 and its Amend1) added transitional provisions to the main body of the regulation, but did not amend the contents list. This corrigendum proposal corrects this situation.
