Addition to the annotated agenda

Note by the secretariat

1. At its March session, the Joint Meeting RID/ADR/ADN did not have time to discuss document ECE/TRANS/WP.15/AC.1/2014/27 on Exemption of electric energy storage systems for vehicles and their equipment.

2. Upon request of the representative of Switzerland, and after consultation of the bureau, it is proposed to include this document in the agenda for the 96th session of the Working Party under agenda item 6 b).

3. This document will also be discussed during the next session of the standing working group of the RID Committee of Experts of OTIF (Bern, 20-21 May 2014).
