Bern, 17–21 March 2014

Item 6 of the provisional agenda

Proposals for amendments to RID/ADR/ADN:**pending issues****14 March 2014****Dates for working groups concerning BLEVE and TELEMATICS****Transmitted by the government from France**

1. On both the subjects referred to in the title some technical work has been going on in specialized bodies. It is therefore appropriate to organize meetings for these working groups in a not too distant future.

2. In coordination with the delegations involved in that work and their experts France has agreed to host these meetings. The dates have been chosen in order to be suitable for the experts that will have to present their work and also not to conflict with other meetings.

3. This is an advanced notice for the interested delegations so that they may prepare their travels
