

Proposal for amendments to ECE/TRANS/WP.29/GRSG/2014/5 **(Proposal for amendments to Regulation No. 107 - M₂ and M₃ vehicles)**

I. Proposal

Paragraph 10.24., amend to read:

"10.24. Notwithstanding paragraphs 10.22. and 10.23., ~~approvals of vehicle granted to the preceding series of amendments to the Regulation, which are not affected by the 05 series of amendments, shall remain valid and Contracting Parties applying the Regulation shall continue to accept them.~~ **Contracting Parties applying this Regulation shall continue to accept type approvals granted to the preceding series of amendments, which are not affected by the 05 series of amendments.**"

Add a new paragraph 10.25., to read:

"10.25. **Contracting Parties applying this Regulation shall not refuse to grant extensions of approval for vehicles which are not affected by the 05 series of amendments.**"

II. Justification

OICA is keen that the vehicles not affected by the 05 Series of amendments can continue to be approved with no modification to their markings, and that extensions to the approvals for these vehicles can continue to be granted.
