Item 3 of the provisional agenda

Listing, classification and packing

Revisions to proposed new special provisions for the transport of consumer and pharmaceutical products containing ethyl alcohol

Transmitted by the Association of Hazmat Shippers (AHS)

1. In document ST/SG/AC.10/C.3/2015/25, AHS proposed two new special provisions XXX and YYY providing certain exceptions for consumer and pharmaceutical products containing ethyl alcohol.
2. Upon receipt of informal comments from delegations, AHS recognizes that no reference was made in either of these proposed special provisions to the outer packaging. This omission was unintentional.
3. Therefore, AHS proposes addition of the following sentence at the end of each of the proposed new special provisions in 2015/25:

Dangerous goods shall be packed only in inner packagings placed in suitable outer packagings. The packagings shall meet the provisions of 4.1.1.1, 4.1.1.2, and 4.1.1.4 to 4.1.1.8.
