Working Party on Inland Water Transport

Geneva, 10 November 2015

UNECE Transport Statistics/WP.6

- Collection and dissemination of transport statistics, including data on motor traffic, road traffic accidents and rail traffic
- Common methodologies to facilitate and improve the collection of information on road and rail traffic flows and infrastructure parameters through surveys and censuses

Main indicators

- Road Safety
- Transport Infrastructure
- Railway Traffic
- Railway Vehicles
- Road Traffic
- Road Vehicle Fleet
- Inland Waterway Vessels and Traffic

Common Questionnaire

- Inland waterways
 - INFRASTRUCTURE
 - TRANSPORT EQUIPMENT
 - ENTERPRISES, ECONOMIC PERFORMANCE
 - TRAFFIC
 - TRANSPORT MEASUREMENT
- Road
- Rail
- Oil pipelines
- Gas pipelines

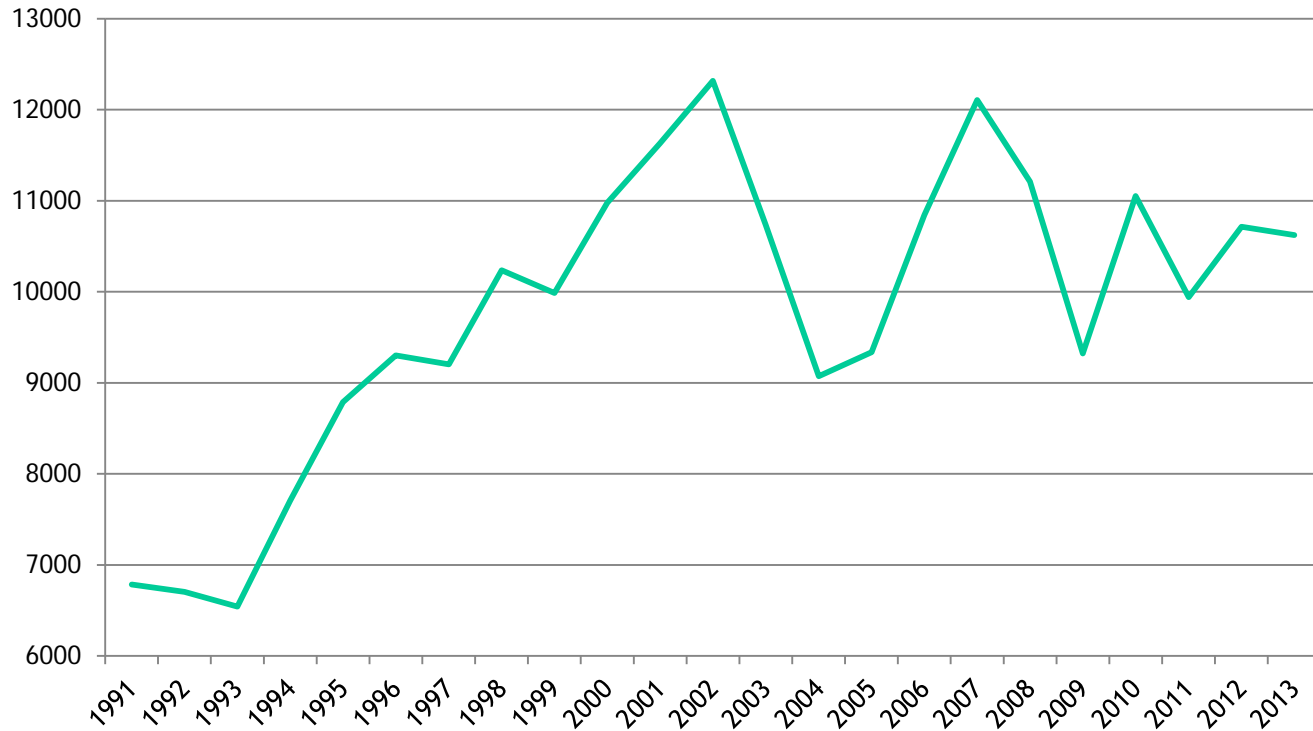

Data collected

- Navigable inland waterways
 - By waterway types
 - By horizontal dimensions of vessels and pushed convoys
- Self-propelled vessels
 - By year of construction
 - By carrying capacity of vessels
- Dumb and pushed vessels
 - By carrying capacity of vessels
- Tugs and pushers
 - By year of construction
- Investment and maintenance
- Goods transport on national territory
 - By type of propulsion
 - By type of transport
 - By range of distance moved

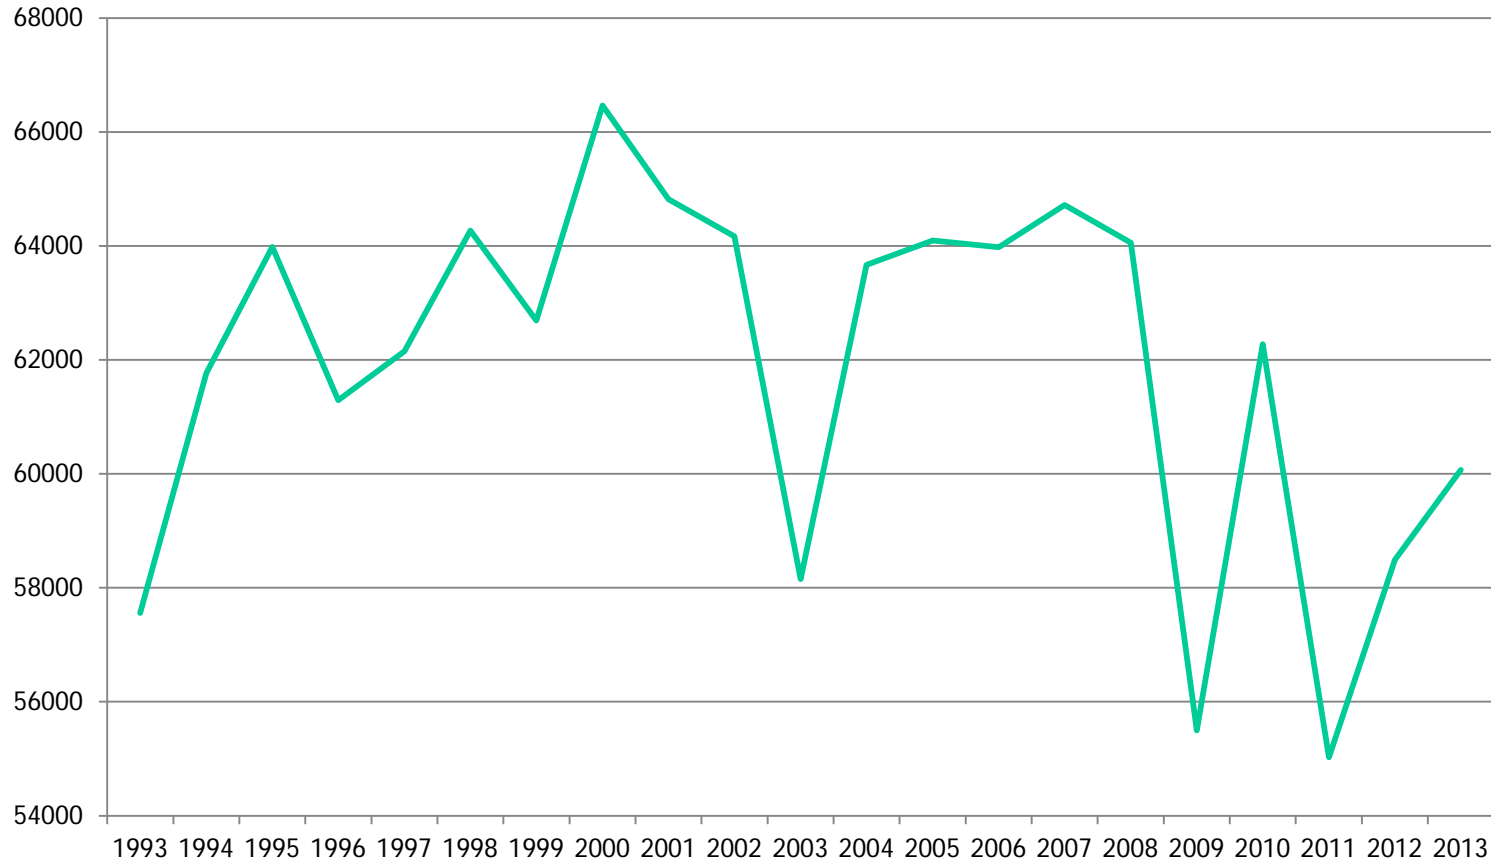

Total of goods carried (1000 tonnes), Austria

Total of goods carried (million, tonne-km), Germany

[ROAD TRANSPORT](#) > [Transport Equipment](#) > [Passenger cars](#) > 2011

ID	Common questionnaire	VALUE	Flag	Note
Number at 31.12 (1000)				
▼ B-II-03-31-0.0-0.0	Total	<input type="text" value="28467"/>		Great Britain only
Number at 31.12 (1000) > By age				
▶ B-II-03-31-34.01-0.0	<= 2 years	<input type="text" value="3711"/>		Great Britain only
▶ B-II-03-31-34.02-0.0	2 >= 5 years	<input type="text" value="6074"/>		GB only
		2010	28421	Great Britain only
		2009	28247	Great Britain only
		2008	28390	Great Britain only

Methodology

- Glossary
- Different practices (how to differentiate what is IWW and what is Maritime after the "vessel type; or after the port of loading/unloading)

Dissemination of Transport Statistics

- Publications
- Annual Bulletin of Transport Statistics (ABTS)
- Statistics of Road Traffic Accidents in Europe and North America
- Maps and data on E Road/E Rail Traffic Censuses
- Online database

- Questions or remarks ?
- Stat.trans@unece.org
