### **Amendment to ADN 1.6.7.4.2 — Transitional periods applicable to substances**

**Transmitted by the Central Commission for the Navigation of the Rhine (CCNR)<sup>1</sup>**

#### **Introduction**

1. The German delegation has drawn the attention of the CCNR secretariat to the fact that the transitional period for the special provisions in 1.6.7.4.2, Table 2, is coming to an end and has requested it to propose an amendment for ADN 2017. The Safety Committee is kindly requested to check the amendment proposed by the CCNR secretariat, which is given below.

#### **Justification**

2. In derogation from Part 3, Table C, the substances listed in 1.6.7.4.2, Table 2, may be transported in accordance with the requirements referred to in that table until 31 December 2015. The special provisions in 1.6.7.4.2, Table 2, must therefore be deleted for ADN 2017.
