Item 4 (b) of the provisional agenda
Proposals for amendments to the Regulations annexed to ADN: other proposals

Amendment to 7.2.4.77

Note by the Secretariat*,**, 1. The secretariat was informed that there was an error in the title of the first column under "Class" in the French version of table 7.2.4.77, to the extent that there is no mention of packing group II for Class 3. This omission must be corrected, but the secretariat noted that the headings of the first and second columns under "Class" are confusing and proposes to improve the wording.

Proposal

2. In table 7.2.4.77, amend the headings of the first and second columns under “Class” to read as follows:
   “2, 3 (except second and third entries of UN No. 1202, packing group III, in Table C)”.
   “3 (only for the second and third entries of UN No. 1202, packing group III, in Table C), 4.1”.

* Distributed in German by the Central Commission for the Navigation of the Rhine under the symbol CCNR-ZKR/ADN/WP.15/AC.2/2017/20.
** In accordance with the programme of work of the Inland Transport Committee for 2016–2017 (ECE/TRANS/2016/28/Add.1 (9.3.)).
