--------------------------	--

**Proposal**

1. Add the following text at the end of the second intend of para 7.2.4.25.5 ADN (as amended):

“, the results of these measurements shall be recorded in writing”.

**Justification**

2. The result of the measurement shall be documented in the book according 8.1.2.1 (g) ADN. Inspection bodies or facility operators shall be enabled to check if the condition not to use a vapour return piping is given.
