

# INLAND WATERWAY TRANSPORT

**Maksim Asaul**  
*Deputy Director*

*Department of Transport and Infrastructure  
Eurasian Economic Commission*

## EURASIAN ECONOMIC UNION (EAEU)

The Treaty on the Eurasian Economic Union has been signed in Astana (capital of Kazakhstan) on May 29, 2014 by the Presidents of Belarus, Kazakhstan and Russia

**107, 5 thousand km of the Inland Waterways are exploited**

## INTEGRATION OF INLAND WATERWAY TRANSPORT

### Treaty on the EAEU Section “Water Transport”

- Water transport in the Union shall be developed as part of the coordinated (agreed) transport policy
- Conclusion of an international Agreement on Navigation between the Member States

### Section “Inland Water Transport” of Transport Policy

- Establishment of Common Market of Transport Services
- Harmonization of the legislation of Member States
- Improvement of the vessels passage operation on the inland waterways for Member States
- Harmonization of personnel training programs
- Mutual recognition of certificates, diplomas and documents of crew members and staff of the organizations by Member States

# TRANSPORT AND INFRASTRUCTURE DEVELOPMENT OF THE EAEU INLAND WATERWAYS

Growth of the Volga-Don  
canal traffic  
(access conditions, free access  
to the sea)

Infrastructural fulfillment and  
development of transit potential  
(unified railway tariffs routing  
to the ports)

Common Market of Services in  
the field of pleasure boats  
leasing and rental without crew  
(Recreational navigation  
development)

# Thank You
