Before September 2017 –

**ECE/TRANS/WP.29/1059 of 30 August 2007
RESOLVING INTERPRETATION ISSUES
AND REQUIREMENTS FOR THE TECHNICAL
SERVICES IN THE FRAMEWORK OF THE 1958
AGREEMENT**

Designation of technical services

Item 2 of the Article 2

Order of the Federal Agency of the 7th March 2017 № 453, which:

- formally appointed an assessment team;**
- set the membership of the team**

Assessment team

Item 7.1 of the Article 7, Part 3 of the Schedule 2

The team as a whole shall:

- have appropriate knowledge of the specific scope for which designation is sought;**
- have sufficient understanding to reliably assess the competence of the technical service which operates within its scope of designation**

Membership of assessment team

Chairman:

Deputy Head of Federal Agency A.Kuleshov

Secretary:

Head of the Association of automotive engineers D.Zagarin

Members:

A.Burlak – Federal accreditation body,

I.Korovkin –Association of Russian Automakers (OAR),

B.Stankov – Association of European Businesses (represents foreign investors),

M.Blokhin – National Association of Automotive Component Manufacturers of Russia (NAPAK)

S.Evstaf'ev – Federal Agency

Procedure of designation

The Assessment team on the 1st meeting in April 2017 adopted the Procedure of destination

As well as it is wholly based on the Agreement regulations and does not institute new procedures it was done as a non-legal act

The Process of designation in 2017

Up to now as Technical services have been designated:

1. Technical center «Avtoelectronica» - UN Regulations № 1, 3, 4, 5, 6, 7, 8, 10, 18, 19, 20, 23, 27, 28, 31, 38, 50, 56, 57, 65, 69, 70, 72, 76, 77, 82, 87, 88, 91, 97, 98, 99, 104, 112, 113, 116, 119, 123, 128;

2. FGUP «NAMI» - UN Regulation № 127

Up to the end of 2017 all the Technical Services shall be re-designated or the designation will be cancelled

Federal Agency will send relevant information officially in January 2018

№ _____

**Order of the Federal Agency of
the 2nd March 2017 № 440 instituted
the new Blank Form of the Russian Competent
administrative authority for:**

- **Communications;**
- **Certificates to the technical services;**
- **Official correspondence within the 1958 Agreement**

Communications

Communications are used for the domestic certification aims

Problems:

- no common Database, which certification organs may use;
- official datachange on communications takes much time

Proposal :

Placement on the official sites of Competent administrative authorities the data on communications, which shall provide:

- access to the digital image of communications (PDF or similar files);
- on-line search;
- permanent update (with move canceled documents to the archive section)
- capacity of link to the DETA-system in future

Thanks for attention!
