Agenda item 4.1

Electronic exchange of information concerning Type Approval Authorities and Technical Services

WP29- Doc 343 web-based application

WP.29 Doc 343 application

- The WP.29 Doc 343 application provides the platform for exchange of information on the designation of Type Approval Authorities (TA) and/or Technical Services by Contracting Parties
- Contracting Parties using this platform provide information discussed under WP.29 agenda item 4.1. (see ECE/TRANS/WP.29/343/Rev.X)

Decision in March 2017

- The Heads of Delegations provide to the secretariat the contact data of the Single Point Of Contact (SPOC) of his/her Country in charge of providing the TA and TS designation information to the secretariat.
- Credential will be provided to these SPOCs for access.
- SPOCs may provide information through the platform any time they wish.
- So far: only a few Countries shared contact data.
