

Road Safety Performance Reviews – activities and results

**30th session Working party on Transport Trends and
Economics**

Palais des nations, Geneva

Nenad Nikolic, Regional Advisor

6 September 2017

Road Safety trends (UNECE, 2015)

Road traffic fatalities by region, 2003–2013 (UNECE, 2015)

Thousands

Road traffic accidents by region, 2003–2013 (UNECE, 2015)

Thousands

Road Traffic Injuries: The facts (WHO, 2015)

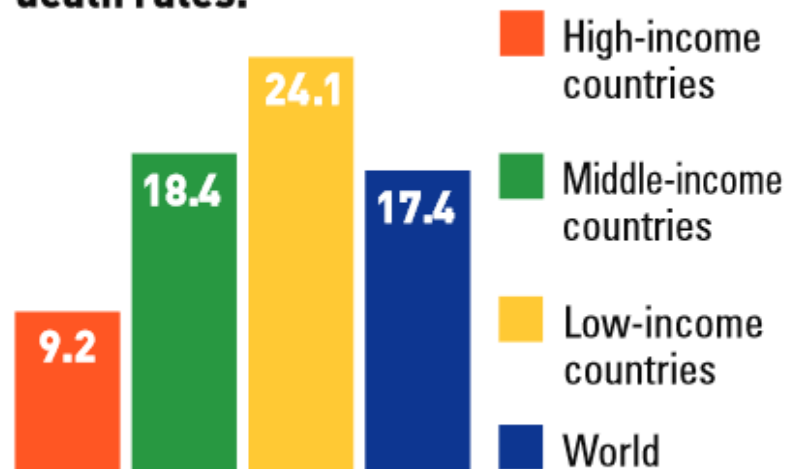

Although low- and middle-income countries have only half of the world's vehicles, they have 90% of the world's road traffic deaths.

DEATHS

VEHICLES

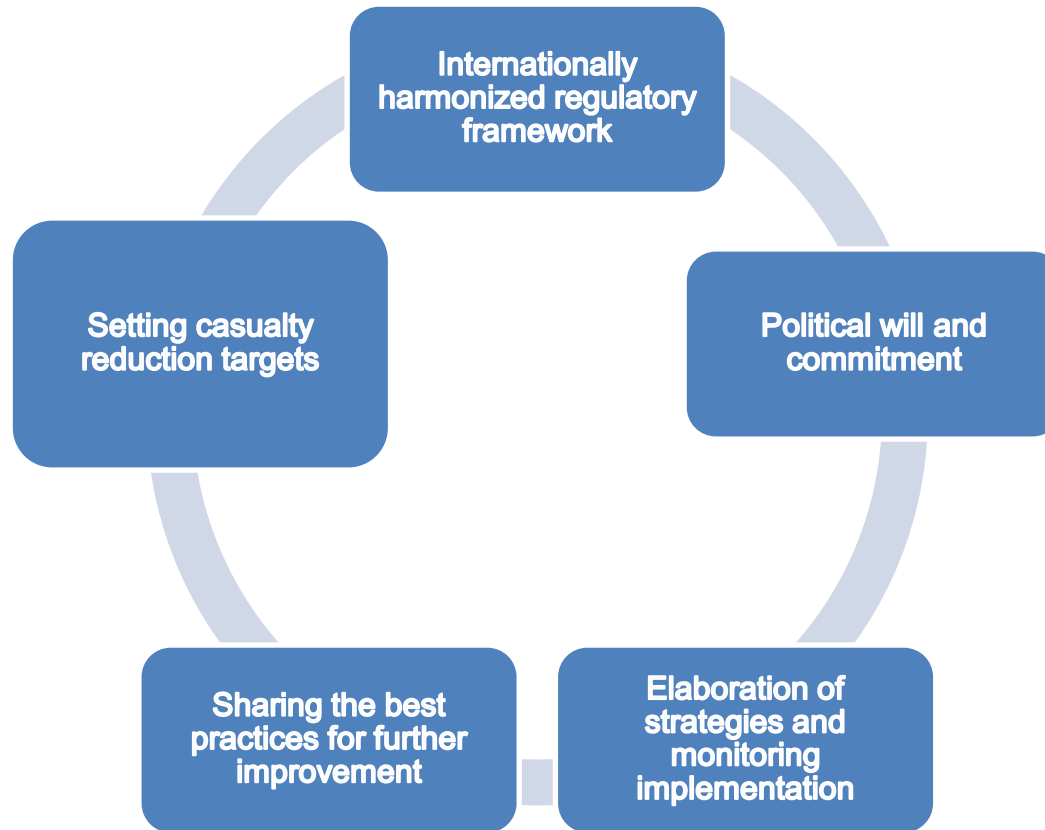

Low-income countries have the highest road traffic death rates.

Road traffic fatalities per 100 000 population

Progress in road safety – result of serious and systematic efforts

Road Safety Management Capacity Building Project

- **Cooperation between UNECE, ESCAP and ECLAC**
- **4 countries globally**

Aim:

To strengthen the national road safety management system capacities of selected developing countries and countries with economies in transition

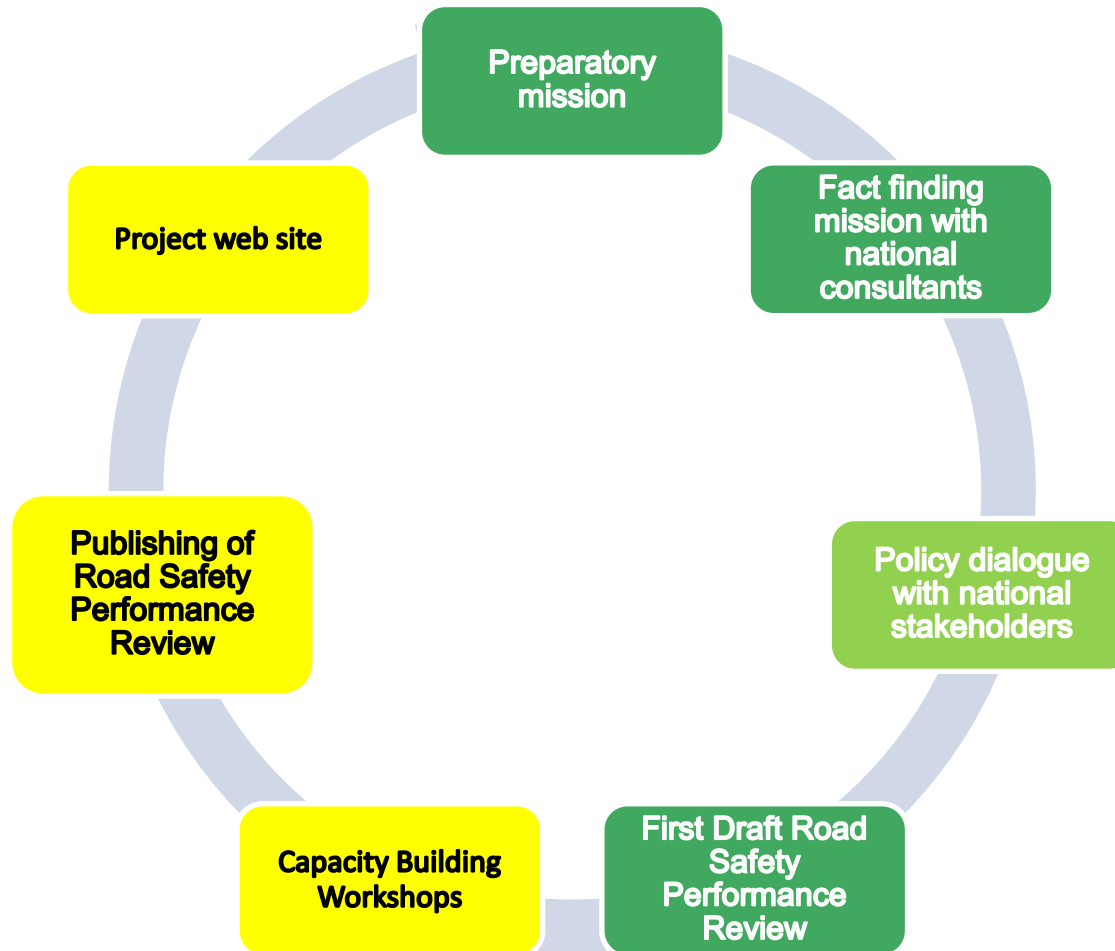

Background (WHO, 2013)

	Deaths/100K (WHO estimate)	Deaths (Country report)
Albania	15.1	295
The Dominican Republic	29.3	2,164
Georgia	11.8	514
Viet Nam	24.5	9,156
Cameroon	27.6	1,095
Uganda	27.4	2,937
Sweden	2.8	260
Netherlands	3.4	570
UK	2.9	1770

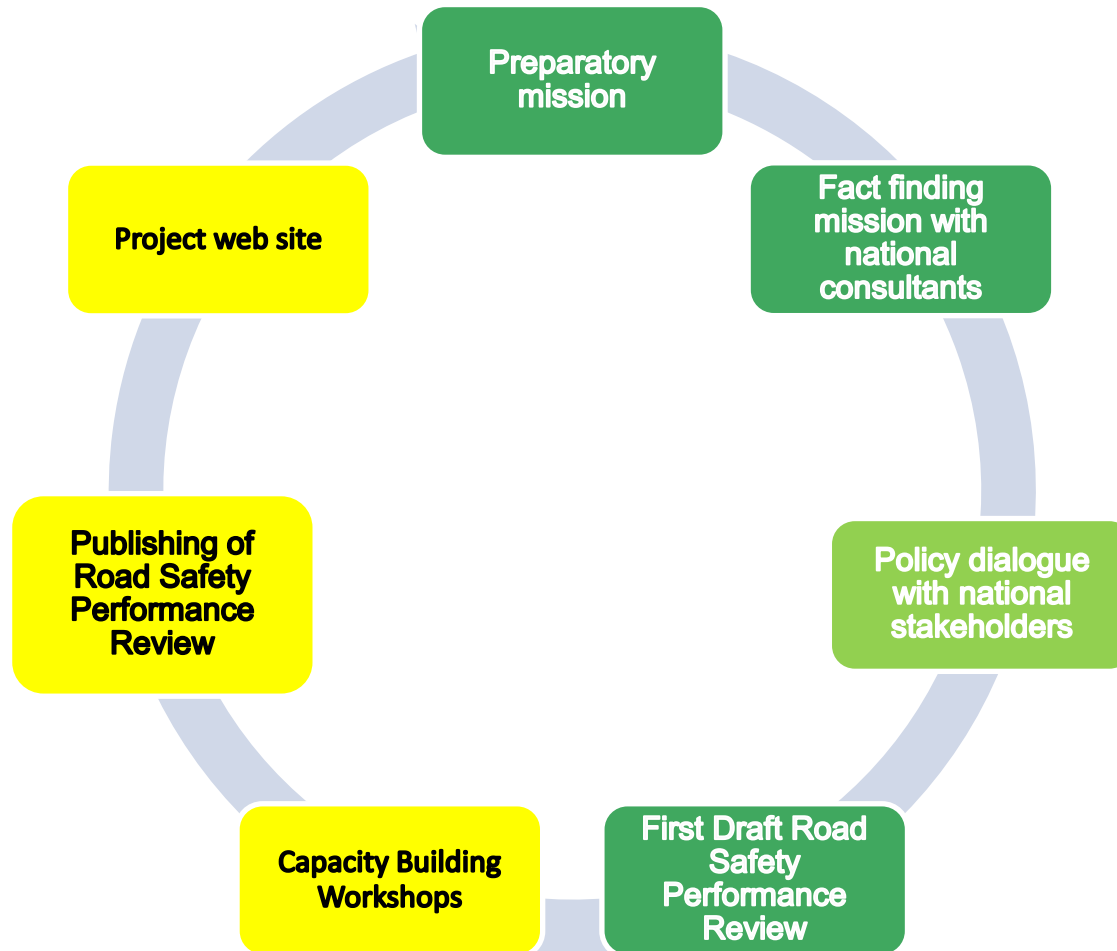

RSPR Project Activities Albania

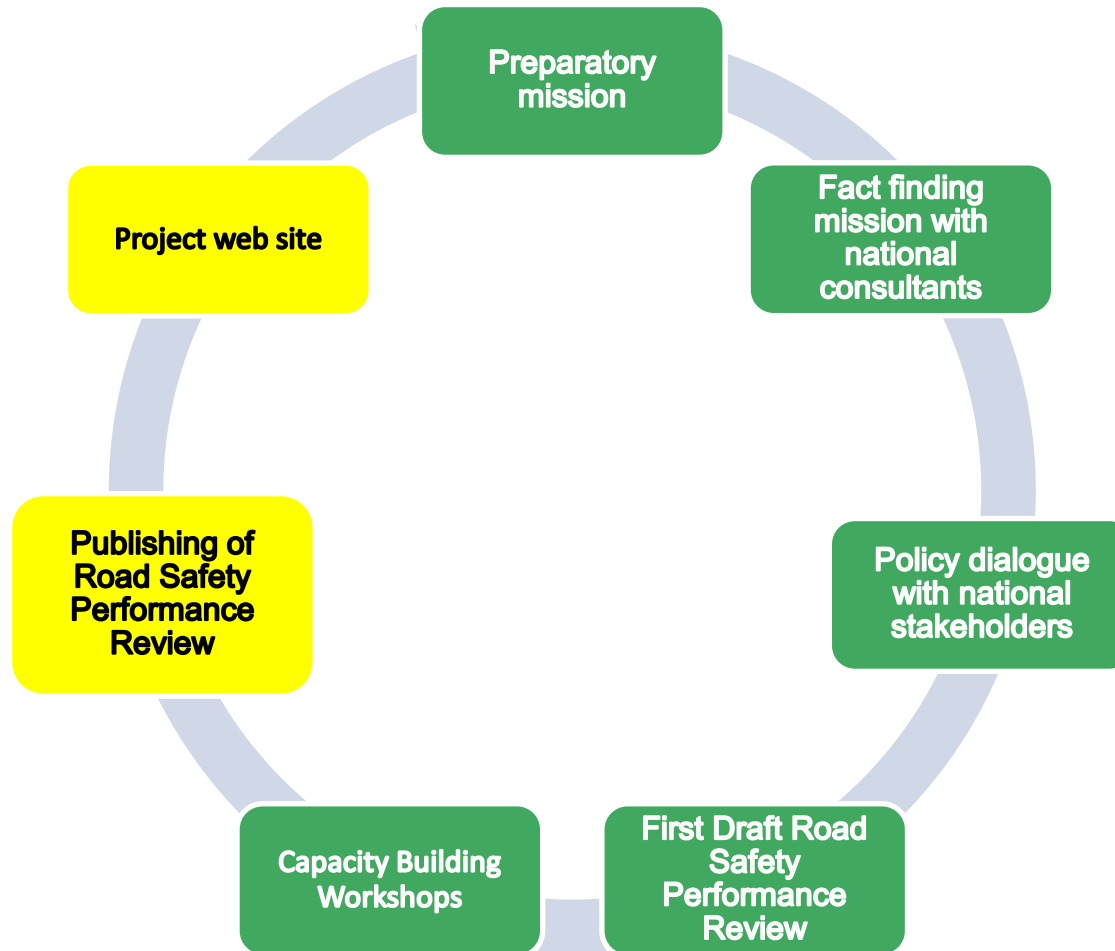

RSPR Project Activities Georgia

RSPR Project Activities Dominican Republic

RSPR Project Activities Viet Nam

Synergies

- **International Alliance for Responsible Drinking (IARD) contributed by preparing combat against drink-driving chapter in all countries**
- **International Road Federation (IRF, Washington) reviewed safe roads chapter of RSPR in Albania and Georgia**
- **UN SG's Special Envoy for Road Safety launched RSPR in two African Counties (Cameroon and Uganda) as part of UNECE, the Special Envoy and ECA cooperation.**

The next steps

- **Prepare final RSPR and discuss with national stakeholders**
- **Update Project web site**
- **Translate RSPR into national languages and prepare a printed version**

Thank you
