Item 6 of the provisional agenda:

**Interpretation of ADR**

10 October 2018

### Proposal for clarification of the terminology in 1.4.3.1.1 (e)

Transmitted by the Government of Georgia

#### *Summary*

**Executive summary:** In implementing ADR in our national legislation, we have been facing a problem of interpretation of the terminology of paragraph 1.4.3.1.1 (e).

**Action to be taken:** Clarification of terminology in 1.4.3.1.1 (e)

1. The paragraph 1.4.3.1.1 (e) of the ADR states the following: “He shall, when loading packages, comply with the prohibitions on mixed loading taking into account dangerous goods already in the vehicle or large container and requirements concerning the separation of foodstuffs, *other articles of consumption* or animal feedstuffs.”
2. We believe that “*other articles of consumption*” is rather broad and covers foodstuffs, medicine, etc. and would like to seek the opinion of the Working Party on a more accurate definition for this paragraph.
