Item 5 (a) of the provisional agenda

Proposals for amendments to RID/ADR/ADN:

pending issues

5 September 2018

Information on the status of publication of standards adopted for RID/ADR 2019, not published before 1 June 2018

Transmitted by the Government of France

1. As explained in detail in document ECE/TRANS/WP.15/AC.1/151/Add.1 under item 5 (a), the amendments concerning references to new standards or additives to referenced standards not published before 1 June 2018 were not included in the list of amendments for entry into force on 1 January 2019.
2. For ADR, these amendments were listed separately in Annexes III and IV of the report of WP.15 (ECE/TRANS/WP.15/242) as draft amendments adopted by WP.15 for entry into force as soon as possible following their publication. For RID, these amendments were also listed separately in Annex II of the report of the RID Committee of Experts' standing working group (OTIF/RID/CE/GTP/2018-A).
3. The following annex reproduces the adopted amendments and specifies the date of publication of each of these standards.
