Joint Meeting of the RID Committee of Experts and the

Working Party on the Transport of Dangerous Goods

Geneva, 17-21 September 2018

Item 2 of the provisional agenda

Tanks

12 September 2018

**Inspections and tests of battery-wagons/battery-vehicles and
MEGCs**

Transmitted by the Government of France

1. RID/ADR 6.8.3.4.12 refers to 6.8.3.4.6 for the inspections and tests of battery-wagons/battery-vehicles and MEGCs the elements of which are tanks.
 2. 6.8.3.4.6 defines the periodicity of the periodic inspections for tanks intended for the carriage of refrigerated gases, by derogation from the general rules of 6.8.2.4.2.
 3. But refrigerated gases are not allowed to be carried in battery-wagons/battery-vehicles and MEGCs.
 4. To avoid any misinterpretation we propose to replace in 6.8.3.4.12 the reference to 6.8.3.4.6 by the reference to 6.8.2.4.2.
