I - ITF statistical activities

All information on our statistics is available on our Website : https://www.itf-oecd.org/search/statistics-and-data?f%5B0%5D=field_publication_type%3A648

- ITF Key transport leaflet - 2017 data
- Currently collecting data for 1Q18
- Collected investment for 2016
- Will launch 2017 annual data this summer
- ITF Outlook will be published in January 2019

**Key
Transport
Statistics**

2017 Data

2018

II - ITF TrSA Workshop

TrSA tool to measure the contribution of the transport Sector to the overall economy

1. Strong interest, lively debates => real need
2. Start a Task Force with various stakeholders (*SNA, Governments, transport actors, private sector ...*)
3. Probably a two years project
4. Publish a methodological manual
5. Have a communication policy

III - ITF 5th statistics meeting

The main focus

1. Follow up on ITF transport infrastructure investment
2. Transport safety
3. Big data
4. Innovation in transport measurement
5. Visualisation tools
6. O/D transport surveys

Engage discussion, share examples and broaden our views
