

## Proposal for Supplement [x] to UN Regulation No. 148 (Light-Signalling Devices)

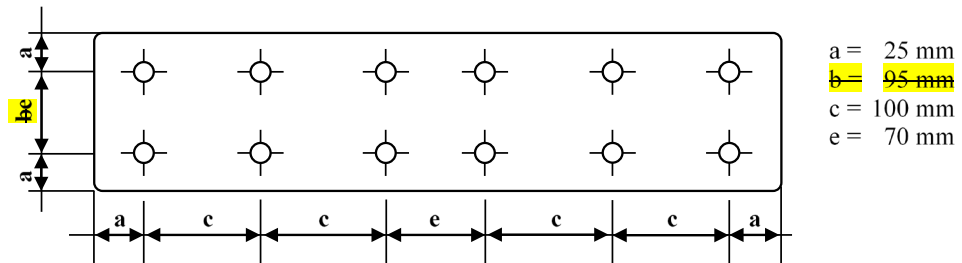

### I. Proposal:

Annex 3, Par. 3.2., Figure A3-X, amend to read:

“3.2. Category 1b - wide plate (520 x 120 mm)

Figure A3-X

Measuring points for plate size 520 x 120 mm

”

### II. Justification:

1. In the original version of Regulation No. 148 (WP.29/2018/157) the figure in Annex II, A3-X contains a mistake in the figure itself.
2. This proposal fixes the figure and reinstalls the original figure coming from UN Regulation No. 4, Annex 3 (b).
