Economic Commission for Europe**Inland Transport Committee****World Forum for Harmonization of Vehicle Regulations****Working Party on General Safety Provisions****116th session**

Geneva, 1–5 April 2019

Item 8 of the provisional agenda

UN Regulation No. 55 (Mechanical couplings)**Proposal for Supplement 8 to the 01 series of amendments to
UN Regulation No. 55 (Mechanical couplings)****Submitted by the expert from France***

The text reproduced below was prepared by the expert from France to update the format of the communication document for a device or component approval. The modifications to the current text of UN Regulation No. 55 are marked in bold characters for new and strikethrough for deleted characters.

* In accordance with the programme of work of the Inland Transport Committee for 2018–2019 (ECE/TRANS/274, para. 123 and ECE/TRANS/2018/21/Add.1, Cluster 3.1), the World Forum will develop, harmonize and update UN regulations to enhance the performance of vehicles. The present document is submitted in conformity with that mandate.

I. Proposal

Annex 1, item 2., amend to read:

"2. ~~Manufacturer's name for the~~ Type of device or component:"

II. Justification

The current wording of item 2 in Annex 1 is redundant with item 3 and not aligned with other similar UN Regulations No. 58 or No. 73. The key point of item 2 is to identify the type of device or component approved.
