

UNECE - Inland Transport Committee
78th session
(Geneva, 23-26.02.2016)

Unified Railway Law

Unified Railway Law - trial period

How International law covers Euro-Asian traffic

2

- Unified railway law does not provide legal certainty for the contracting parties.
- A trial period should preferably be conducted under international law (CIM/SMGS).

The question of the applicable law (international or national) should be resolved before entering into any trial period.
