

Changing demographics Ageing and its implications for gender equality

SIDE EVENT

29 October 2019 | 13.30-14.45 | Room XXIII | Palais des Nations, Geneva

This event aims to trigger an insightful discussion among UNECE member States and civil society on good practices to promote gender equality in old age and encourage collective thinking on how to ensure that reforms undertaken to adapt to population ageing promote rather than reduce gender equality over the life course.
