Urban Renewal Challenges

“Palais des Nations” in 2014 & 2044 ?

From 1937 > 1946 > 1973 > 2014 > to 2044

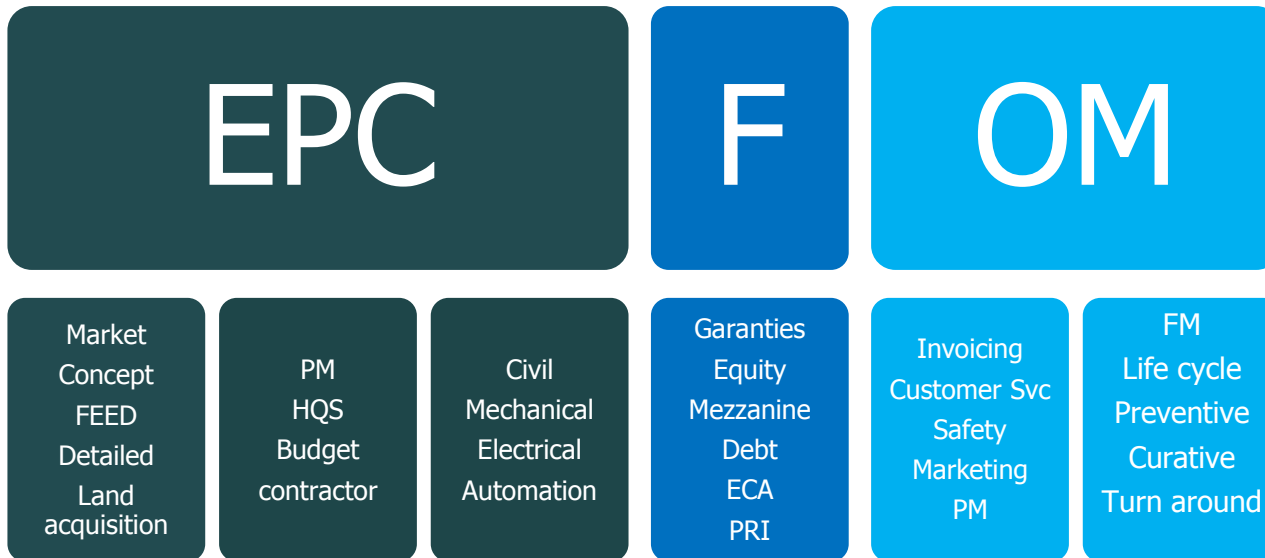

Geopolitical world center of economic gravity moving east
demography moving south 1114 > 1125 > 1135

The 3 bottom line: from Millennium to Sustainable Development Goals
People , Planet & Profit approach

Governance : community & Private sector involvement
Public Strategy > Private Dynamics

Palais des Nations, Is it only about financing the renovation?

Integrated Solution

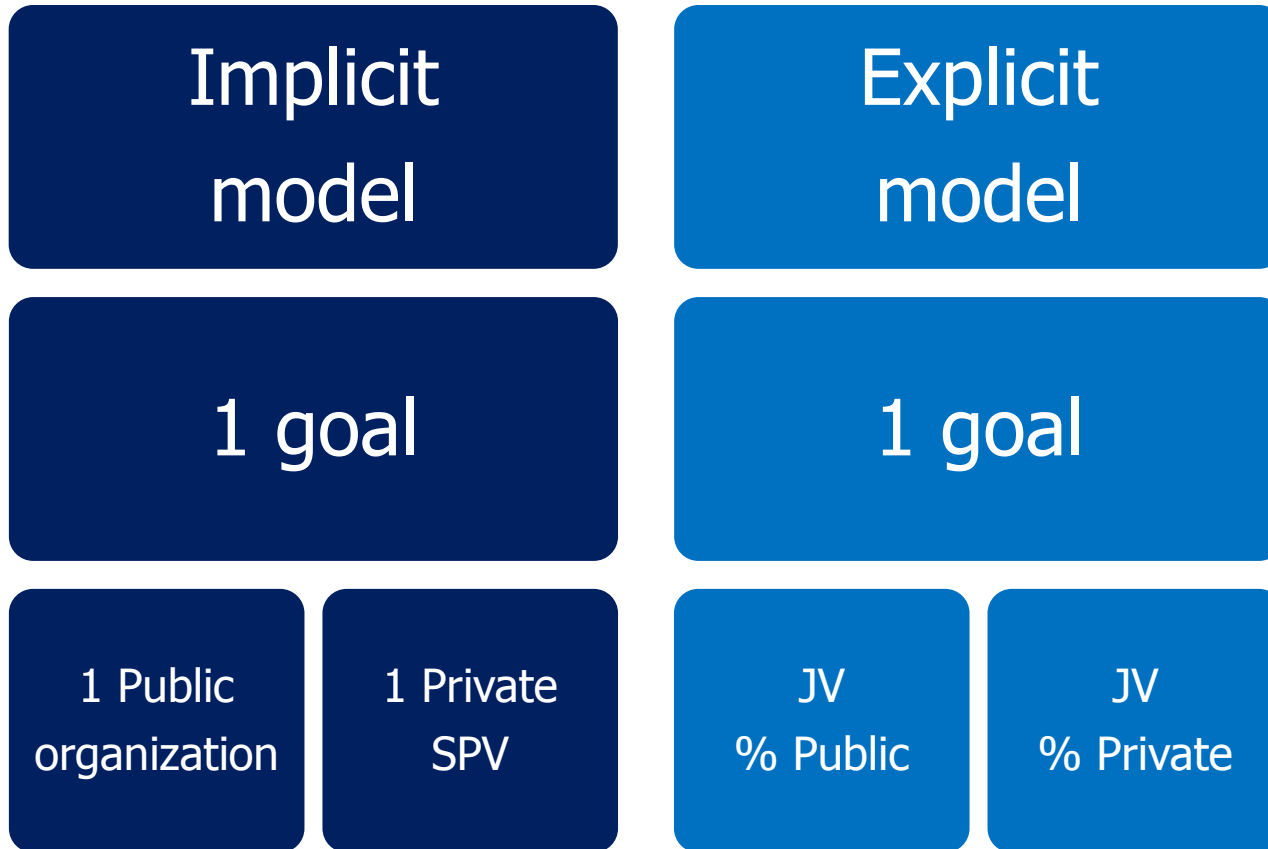

Revenue Stream ?

Sleep
Buy
Work
Relax

Is Financial Sustainability a key issue?

A partner rather than a supplier

Is it possible to “in source” a solution ?

...people and capital like a good story !

especially when it is about transforming a challenge into an opportunity

What will be the UN (Geneva) Experience?
