

# Status of Programme Implementation

## Capacity-building Activities

(1 July 2015 – 29 February 2016)

**Michiko ENOMOTO**

**Economic Cooperation and Trade Division**

**UNECE**

# Mandates & principles

## Terms of Reference

### CECI Sessions (1-9)

#### 3 characteristics:

- Demand-driven
- Direct linkages between policy recommendations and CB activities
- Cooperation and partnership with CICPPP Teams of Specialists and other international organizations

# Main areas of capacity-building activities

**Innovation and competitiveness Policies (including aspects on Financing innovative development and Entrepreneurship and enterprise development)**

**Public-private partnerships**

**Promoting the knowledge-based economy, fostering wider and deeper international economic integration in the UNECE region**

**24 capacity-building/policy-advisory activities in 14 countries.**

# UN Special Programme for the Economies of Central Asia (SPECA)

- **Strengthening regional cooperation in Central Asian Countries and support integrating them into the world economy**
- **Supporting SPECA Project Working Group on Knowledge-based Development**
- **Conducting capacity-building activities/policy advisory activities on Innovation, PPP & other knowledge-based development areas**

# The way forward

- **Responding to growing demand for CB activities subject to the availability of resources and agreed mandate**
- **Supporting implementation of the 2030 Agenda for sustainable Development and the Addis Ababa Action Agenda**
- **Seeking synergies between policy-oriented & normative activities and capacity-building activities**

# The way forward

- Exploring links between different thematic areas of work
- Working closely with CICPPP Teams of Specialists and networks of experts
- Deepening cooperation with other international and partner organizations
- Need for continuous support and in-kind contributions.

# Our special thanks to:

- **Members of Teams of Specialists and other experts**
- **Those who provided voluntary contributions, including in-kind contributions in organizing activities: Government of the Russian Federation, Tajikistan, the Bank for Development and Foreign Economic Affairs “Vnesheconombank” of the Russian Federation, the Confederation of International Contractors’ Associations, the Eurasian Development Bank, the European Union, the French Institute of International Legal Experts and Toyo University, Japan**
- **International organizations who co-organized/provided substantive input to the activities.**

# THANK YOU!

**Michiko ENOMOTO (UNECE)**
