

## **People First Public-Private Partnerships (PPPs)**

### **Expert meeting on the UNECE PPP work in waste disposal (incineration and utilization)**

**Date:** Warsaw, 29 August, 2016, 4:00-5:30 p.m.

**Venue:** Dentons, 30<sup>th</sup> floor, Rondo ONZ 1, Warsaw, Poland

**Organizer:** UNECE International PPP Centre of Excellence (ICoE) in cooperation with the PPP Centrum Poland

**Participants:** International PPP experts invited by UNECE ICoE (including by video conference); and PPP experts from the public and private sector based in Poland invited by the PPP Centrum Poland.

#### **Purpose:**

1. to identify the most appropriate cases in waste disposal (incineration and utilization) over the past 5 years; and
2. to identify the international experts to join the UNECE work on PPPs in this sector.

**Chairman:** Geoffrey Hamilton, Chief, Cooperation and Partnerships Section, UNECE

#### **Agenda:**

1. **Mr. Geoffrey Hamilton:** Welcome message and an introduction to the UNECE work on people first PPPs (10 min)
2. **Mr. Bartosz Mysiorski,** Review of Polish experience in Waste-to-Energy PPP (10 min)
3. **Mr. Chen Xiaoping,** PPP development on Waste-to-Energy in China (10 min)
4. **Discussion:** (50 min) The participants will be prompted to:
  - i. briefly present waste disposal projects in the last five years to be used as empirical evidence by the UNECE in its future work; and
  - ii. volunteer to join the UNECE international Project Teams to develop international PPP standards in waste disposal
5. **Mr. Geoffrey Hamilton:** Conclusion and next steps (10 min)
