and UN/LOCODE
25-28 November 2019, Xiamen, China**

Mr. Tiago SPENGLER

Tax Auditor, Secretariat of Federal Revenue of Brazil

Tax Auditor since 2003, Tiago has worked in many areas of the Secretariat of Federal Revenue of Brazil (RFB), including internal taxes auditing, support to tax payers and management activities. Since 2007, he works in Customs, which is part of RFB.

From 2013 to 2016, Tiago was a member of the Brazilian Single Window project, working in the subprojects of Operators Registration, Data Harmonization and Exportation Risk Management.

Currently, Tiago is the chief of the Post Clearance Audit Division in the Customs headquarters in Brasília, where he leads a comprehensive restructuring project of all PCA and Enforcement processes run in Brazilian Customs.

In July 2015, Tiago was nominated National Focal Point for UN/LOCODE, working closely to UNECE in the maintenance of the Brazilian codelist and also in the Recommendation 16 updating project.
