

SESSION II – BLOCKCHAIN IN VALUE CHAIN/SUPPLY CHAIN

Fiona Delaney

Origin Chain Networks

Fiona Delaney is CEO of Origin Chain Networks, from Dublin, Ireland

Origin Chain Networks advances transparency in the agri-food sector. Our traceability services bring digital assurance to the food value chain enhancing trust in complex supply environments. Embracing open innovation, our involvement in technical standards development helps to raise awareness in the Irish agri-food sector about what the future may hold - advancing cross-domain knowledge and helping to forge a shared vision for excellence in future digital service provision in the EU and across the globe.

Expert member at ISO, IEEE, ITU and CEN/CENELEC. Technical Lead @ISO TC307 Blockchain Use Case Lab and contributor to UNECE Whitepaper on Global Interoperable Blockchain Infrastructure.
