

# WELCOME SPEECHES

**Nena Dokuzov**

Head of Delegation of Slovenia at UNECE

Nena Dokuzov is a Head of Project group for New Economy and Blockchain Technology at the Ministry of Economic Development and Technology in Slovenia. She encouraged and led the preparation of Action plan for Blockchain Technology, a strategic and implementation framework, with the purpose to identify relevant areas for blockchain (vertical and horizontal), and to define regulatory framework and steps necessary for the development of new regulation for Blockchain. Action Plan was adopted by the Government of Slovenia in May 2018.

She is also national representative at European Blockchain Partnership. In 2019 she became a Head of Delegation of Slovenia at UNECE and was a member of expert team at UN/CEFACT in the preparation on Whitepaper on Blockchain and practical implications of Blockchain Technology for the achievement of SDGs 2030. She is also a member of OECD BEPAB (Blockchain Expert Policy Advisory Board) and a Vice Chair of Advisory Group for Advanced Technologies at UNECE.
