

Safari VINCENT

Technical Advisor to Rwanda National Trade Facilitation Committee

Safari Vincent is an economist with 17 years of experience in international trade with focus on trade and transport facilitation. He currently provides technical assistance to Rwanda National Trade Facilitation Committee (NTFC) as a consultant. Safari has successfully contributed to the establishment and operationalization of the Rwanda NTFC from 2017 and the revamping of Rwanda National Monitoring Committee (NMC) on elimination of Non-Tariff Barriers (NTBs) in East Africa and COMESA since September 2011.

Prior to this experience, he worked as Director of Trade and Policy Advocacy at Rwanda Private Sector Federation (PSF) after serving 5 years as Director of Academic Affairs (Registrar) at the College of Business and Economics (former School of Finance and Banking-SFB) of the University of Rwanda (UR). Safari has also university teaching experience and holds an MBA from Maastricht School of Management/Netherlands and a bachelor's degree in international economics from the University of Rwanda.
