

# **UN/CEFACT 35<sup>th</sup> Forum**

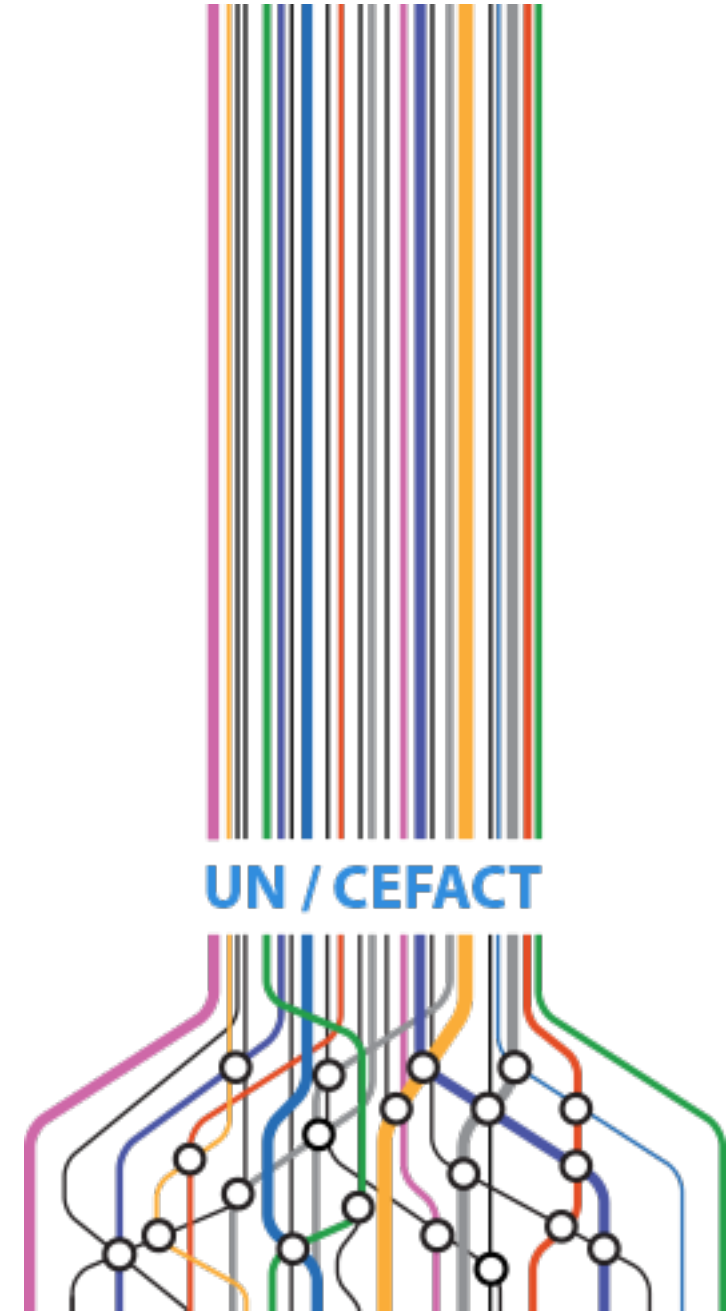

## **5 – 16 October 2020**

## **& 9 – 13 November 2020**

Virtual Forum Closing Session

### Webinar best practices:

- Please mute your microphone when not speaking
- Try to avoid echos by using a specialized microphone or a headset
- Avoid interrupting or speaking over each other
- Use the raise hand function to request the floor
- Use the chat for comments
- In webinar events, use the Q&A for questions related to the interventions

# Welcome addresses

**Maria Ceccarelli**

- Chief, Trade Facilitation Section, UNECE

**Sue Probert**

- Chair, UN/CEFACT

UN / CEFAC

# Housekeeping

UN / CEFAC

# International Trade Procedures PDA Trade Procedures Facilitation Domain

**Estelle Igwe**

UN/CEFACT Vice Chair, ITP-PDA

**Birgit Viohl**

Trade Procedures Facilitation  
Domain Coordinator

**Jake Shostag**

Trade Procedures Facilitation  
Domain Coordinator

UNECE

# ITP-PDA – Trade Procedures Facilitation Domain Achievements & ongoing work

## Finalized

- White Paper on Integrated Services for MSMEs in International Trade (ISMIT)
- Revision of Recommendation 5 on the Abbreviation of INCOTERMS

## Current projects

- Cross Border Facilitation Measures for Disaster Relief Recommendation
  - Finalizing the Public Review phase
  - Planned to be presented to the Plenary in 2021
- Pandemic Crisis Response White Paper
  - Finalizing its draft
  - Planned to be presented to the Plenary in 2021

# **ITP-PDA – Trade Procedures Facilitation Domain**

## **Future plans**

### Private Sector involvement in Trade Facilitation measures

- Very successful webinar on 6 October demonstrating that guidance in this area could be useful
- Plan to suggest the launch of a project on the subject

### Revision of Recommendation 18

- This recommendation provides a powerful tool on multiple trade facilitation measures.
- Last updated in 2002; could benefit from an update and modernization to align with current practices.
- Plan to suggest the launch of a revision project

UN / CEFAC

# International Trade Procedures PDA Single Window Domain

**Aleksei Bondarenko**

UN/CEFACT Vice Chair, ITP-PDA

**Jalal Benhayoun**

Single Window  
Domain Coordinator

# **ITP-PDA – Single Window Domain Achievements & ongoing work**

## Finalized

- Revision of Recommendation 33 on Single Window
- White Paper on Core Principles of the Operation of Systematically Important Single Window
- Recommendation on Trade Information Portals (pending final approval)
  - Webinar of 7 October demonstrated the different solutions which exist

## Current projects

- Core Principles of the Operation of Systematically Important Single Window

# ITP-PDA – Single Window Domain

## Future plans

### Assessment methodology of Single Window

- Plan to propose a project on analytics based on Rec33, 34, 35 to provide a methodology to assess actual levels of implementation of Single Window

### Risk management and Single Window

- Plan to continue studying the possibilities of a project on the topic

### Cyber security and Single Window

- Plan to continue studying the possibilities of a project on the topic

### Machine learning and Single Window

- Plan to continue studying the possibilities of a project on the topic

UN / CEFAC

# International Trade Procedures PDA Code List Focal Point

**Aleksei Bondarenko**

UN/CEFACT Vice Chair, ITP-PDA

# **ITP-PDA – Code List Focal Point Achievements & future plans**

## Finalized

- Update of Recommendation 20 (Codes for Units of Measure Used in International Trade) annexes II and III
- Update of Recommendation 21 (Codes for Passengers, Types of Cargo, Packages and Packaging Material) annex V

## Upcoming

- Update of Recommendation 23 (Freight Cost Code) annex
- Update of Recommendation 20 (Codes for Units of Measure Used in International Trade) annexes II and III
- New code list for Crew Lists (requirement in IMO FAL reporting)

# International Supply Chain PDA Supply Chain Mgmt and Procurement Domain

**Ian Watt**

UN/CEFACT Vice Chair, ISC-PDA

**Edmund Grey**

Supply Chain Management and Procurement  
Domain Coordinator

UNECE

UN / CEFACT

A decorative vertical bar on the left side of the slide. It features a series of colorful vertical lines at the top, followed by the UNECE logo (a globe icon and the text 'UNECE'). Below that is another series of colorful vertical lines, followed by the text 'UN / CEFAC'. At the bottom, there is a network diagram with nodes and connecting lines in various colors.

# **ISC-PDA – Supply Chain Mgmt and Procurement Achievements & ongoing work**

## Finalized

- Buy Ship Pay Reference Data Model
- Export Packing List

## Current projects

- Cross Industry Supply Chain Track and Trace
- eNegotiations
- Transfer of MLETR-compliant titles
- SCRDM subset for the Automotive sector

A decorative vertical bar on the left side of the slide. It features a series of colorful vertical lines in shades of blue, green, yellow, and red. At the top, there is a small logo of the United Nations Economic and Social Council (UNEC) with the text 'UNECE' next to it. At the bottom, there is a logo for 'UN / CEFAC' with the text 'UN / CEFAC' next to it. The bar also contains a network diagram at the bottom with nodes and connecting lines.

# ISC-PDA – Supply Chain Mgmt and Procurement Future plans

## Advanced technologies applications

- Continue to pursue understanding in advanced technologies as applicable to the SCMP Domain

## Further enhancing involvement of other organizations in SCMP

- Working closely with Transport and Logistics Domain (under the shared BSP-RDM)
- Very much appreciate the efforts of GS1 and others in the work of the SCMP Domain

UN / CEFAC

# International Supply Chain PDA Travel and Tourism Domain

**Ian Watt**

UN/CEFACT Vice Chair, ISC-PDA

**Sachin Mehta**

Travel and Tourism  
Domain Coordinator

# ISC-PDA – Travel and Tourism Domain

## Ongoing work & future plans

### Current projects

- Sustainable Tourism White Paper
  - UN/SDGs have been studied to identify relevant goals and objects each sector of T/T Industry should focus on.
  - To develop questionnaires for self evaluating system will be delayed.
- Experience Program Technical Artefacts
  - Development has been going on steadily, but a little slowly. Relevant class diagrams and BIEs have been drafted.

### Potential new projects

- Considering the development of a Travel and Tourism Reference Data Model and development of relevant APIs
- Studying the possibility of an eBusiness standard for information linked to itineraries

UN / CEFAC

# International Supply Chain PDA Transport and Logistics Domain

**Hanane Becha**

UN/CEFACT Vice Chair, ISC-PDA

**David Roff**

Transport and Logistics  
Domain Coordinator

# ISC-PDA – Transport and Logistics Domain Achievements & ongoing work

## Finalized

- Smart Container eBusiness standard
- Data Pipeline Carrier eBusiness standard
- Cross-Border Delivery eBusiness standard
- International Forwarding and Transport eBusiness standard
- Ship Agent and Ship Broker Minimum Standards recommendation

## Current projects

- Dangerous Goods eBusiness standard
- IMO eFAL mapping project

# ISC-PDA – Transport and Logistics Domain

## Future plans

### Reenforcing multimodal aspects of the MMT RDM

- Plan to launch a project to further integrate input from rail, air and inland waterway added to the already rich road and maritime information

### Contributing to potential use in a corridor

- Plan with the UNECE Regional Advisor to roll out the use of the published standards within a transport corridor

### Providing guidance on UN/LOCODE Child Code use

- Plan to request a project to compliment the work done on Rec16 and the repository

### Further enhancing involvement of other organizations in T+L

- Very much appreciate the efforts of SMDG, ITIGG, Protect, BIC, DCSCA, IPCSA, and others in the work of the T+L Domain

UN / CEFAC

# International Supply Chain PDA Health and Insurance Domain

**Hanane Becha**

UN/CEFACT Vice Chair, ISC-PDA

**Michel Bormans**

Health and Insurance  
Domain Coordinator

UN / CEFAC

# ISC-PDA – Health and Insurance Domain

## Ongoing work & Future plans

### Current projects

- Reimbursement of Healthcare Claims

### Potential future work

- International Motor Liability Insurance Certificate
- Health Insurance Semantics Alignment

UN / CEFAC

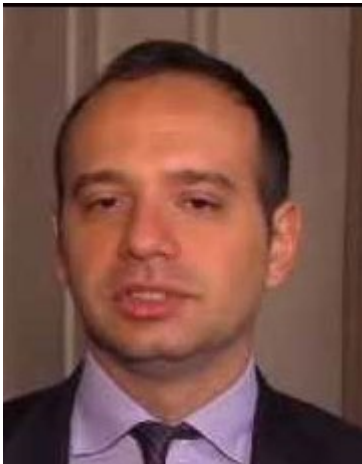

# International Supply Chain PDA Finance and Payment Domain

**Liliana Fratini Passi**

UN/CEFACT Vice Chair, ISC-PDA

**Fabio Sorrentino**

Finance and Payment  
Domain Coordinator

# ISC-PDA – Finance and Payment Domain Achievements & future plans

## Finalized

- Purchase Order Financing eBusiness standard

## Potential future work

- Plan to propose a project for an Open Finance White Paper
  - Prosecution of the analysis on the topic of Open Finance's role in trade facilitation
- Contributions into projects in other domains
  - Internet of Things White Paper – finance linkages, according to updated ToC

UN / CEFAC

# International Supply Chain PDA Accounting and Audit Domain

**Liliana Fratini Passi**

UN/CEFACT Vice Chair, ISC-PDA

**Anita Patel**

Accounting and Audit  
Domain Coordinator

# ISC-PDA – Accounting and Audit Domain Ongoing work

## Current projects

- Accounting and Audit Reference Data Model
- Mapping work is ongoing between UN CCL, XBRL-GL and SAF-T

UN / CEFAC

# **Regulatory and eGovernment PDA Agriculture, Agrifood and Fisheries Domain**

**Benno Slot**

UN/CEFACT Vice Chair, REG-PDA

**Frans van Diepen**

Agriculture, Agrifood and Fisheries  
Domain Coordinator

# **REG-PDA – Agriculture, Agrifood, Fisheries Achievements & ongoing work**

## Finalized

- Rapid Alert System for Food and Feed (RASFF) eBusiness Standard

## Current projects

- Sustainable Textile and Leather Traceability and Transparency Project
- eQuality Certificate
- eCert Guide

# REG-PDA – Agriculture, Agrifood, Fisheries

## Future plans

### Proposed work on certificates

- Aligning certificate requirements to the BSP-RDM to ensure interoperability and harmonization with the rest of the supply chain
- Potentially covering all certificate needs including SPS, Veterinary, eCITES, Origin, Quality and others

UN / CEFAC

# Regulatory and eGovernment PDA Environment Management Domain

**Benno Slot**

UN/CEFACT Vice Chair, REG-PDA

**Norbert Pfaffinger**

Environment Management  
Domain Coordinator

# **REG-PDA – Environment Domain**

## **Ongoing work & future plans**

### Current projects

- Waste Management and Waste Analysis project

### Potential future work

- Studying how to make the UN/CEFACT Transboundary Movement of Waste eBusiness standard more interoperable with other standards

UN / CEFAC

# Regulatory and eGovernment PDA eData Management Domain

**Tahseen Khan**

UN/CEFACT Vice Chair, REG-PDA

**Kaushik Srinivasan**

eData Management  
Domain Coordinator

UN / CEFAC

# **REG-PDA – eData Management Domain Achievements & ongoing work**

## Finalized

- White Paper overview of Blockchain in Trade

## Current projects

- Cross border Inter-ledger exchange for Preferential Certificates of Origin using Blockchain
- UN/CEFACT Chain project
- Internet of Things for Trade Facilitation
- Digital ID for Trade Facilitation

# REG-PDA – eData Management Domain

## Future plans

### Artificial Intelligence in Trade Facilitaiton

- Organized a Webinar on “Advancements in AI to facilitate cross border paperless trade”
- Working on launching a new project on Use of AI in Trade Facilitation which has received interest

### Information security guidelines

- Studying the possibility of a new project on information security guidelines for trade around cyber security, mutual recognition, data retention, trusted third party services such as time stamping, and data confidentiality

### Electronic notarization

- Studying the possibility of a new project on electronic notarization for trustworthy electronic transactions

UN / CEFAC

# Regulatory and eGovernment PDA Cross Border Management Domain

**Tahseen Khan**

UN/CEFACT Vice Chair, REG-PDA

**Amar More**

Cross Border Management  
Domain Coordinator

**Ananth  
Rathakrishnan**

Cross Border Management  
Domain Coordinator

# **REG-PDA – Cross Border Mgmt Domain**

## **Ongoing work & future plans**

### Current projects

- Cross Border Management Reference Data Model

### Potential future plans

- Studying the possibility of a project for guidelines for standards-based ICT for government development strategies
- Studying the possibility of a project on digital corridors
- Studying the possibility of a project on blockchain based AEO mutual recognition data exchange
- Studying the possibility of land locked countries corridor development strategies

UN / CEFAC

# Methodology and Technology PDA Specification Domain

**Marek Laskowski**

UN/CEFACT Vice Chair, M+T-PDA

**Hisanao Sugamata**

Specification

Domain Coordinator

# **M+T PDA – Specification Domain Achievements & ongoing work**

## Finalized

- Message Construction Guidelines
- Header Envelope Project
- Electronic Application Error and Acknowledgement

## Current projects

- RDM 2 API
- API Town Plan

# M+T PDA – Specification Domain

## Future plans

### CCBDA and NDR maintenance

- Studying the technical specifications on CCBDA and XML-NDR to see if a maintenance is necessary

### API related specification

- Based on the initial guidelines of the RDM 2 API project and preliminary testing within UN/CEFACT Domains, a technical specification on API standard development with UN/CEFACT artefacts

UN / CEFAC

# Methodology and Technology PDA Library Maintenance Focal Point

**Marek Laskowski**

UN/CEFACT Vice Chair, M+T-PDA

**Mary Kay Blantz**

Library Maintenance  
Focal Point

# Achievements

## Updates recieved from the following domains:

- All based on the CCTS version 2.01

D19B	D20A	D20B
50 new CCs 2 updated CCs 5 new qDTs  CBI was the biggest contributor	122 new CCs 1 new qDT  MMT Smart Container project was the biggest contributor	51 new CCs 1 updated CC 1 new qDT  IMO FAL mapping was the biggest contributor

## Total library size

	D19B	D20A	D20B
ACCs	588	593	596
ABIEs	1268	1279	1284
qDTs	165	166	166

UN / CEFAC

# Methodology and Technology PDA UN/EDIFACT Focal Point

**Marek Laskowski**

UN/CEFACT Vice Chair, M+T-PDA

**Gait Boxman**

UN/EDIFACT  
Focal Point

# Achievements

UN/EDIFACT	D19B	D20A	D20B
Total DMRs received	40	12	15
Approved	23	1	
Approved with modifications	17	4	
Postponed	0	7	
Rejected	0	0	
Withdrawn	0	0	

UN / CEFAC

# Methodology and Technology PDA Validation Focal Point

**Marek Laskowski**

UN/CEFACT Vice Chair, M+T-PDA

**Enjo Hidekazu**

Validation  
Focal Point

# Achievements

## Finalized

- Validation of UN/EDIFACT Directories 19B and 20A
- Validation of CCL (based on CCTS 2.01) 19B and 20A

## Ongoing work

- Validation of UN/EDIFACT Directory 20B
- Validation of CCL (based on CCTS 2.01) 20B

# Final housekeeping

- The Forum will continue from 9 November!
- Presentations made during the Forum will be made available on the event website:
  - [http://www.unece.org/trade/uncefact/35thuncefactforum\\_oct2020.html](http://www.unece.org/trade/uncefact/35thuncefactforum_oct2020.html)
- Thank you to all participants, project teams, Domain Coordinators, Bureau members... All in all, the whole « Virtual Forum » went rather smoothly
- Hopefully see you again soon in person!
