

## Sectoral PDA

## Utilities Domain

*Domain Coordinator: Kees Sparreboom and Shingo Sakaguchi*

- **Reutilization of Data from Utility Management System,**  
project chair Shingo Sakaguchi
- **Alignment of Master Data for Metering Point and of Measured Data in the deregulated Energy Market,**  
project chair Kees Sparreboom

- **Reutilization of Data from Utility Management System:**
  - Discussed extending range of input data
  - Context and possible use of UCM
- **Informed each other about the status of our domain's projects**
- **Discussed architecture for use of multiple standards (“standards landscape”) and our role in this respect**

- **We participated in several other meetings and enjoyed presentation by other groups**
- **Among these the lunch-and-learn session on Confluence**

***So we promise to keep you up-to-date from now on via Confluence!***

**And we thank you for your attention**
