Cross Industry Invoice

Maintenance activity

Maintenance of Cross Industry Invoice, CII

Reason for a maintenance activity

➤ More user friendly CII XML Schema

Achieved by using the latest published technical specifications:

- ✓ Name and design rules (NDR) version 2.1
- ✓ Core Component Technical Specification (CCTS) version 2.01
- ✓ Core Component Business Document Assembly (CCBDA)

➤ Targeted version of UN/CEFACT Core Component Library is **D15B**

Maintenance of Cross Industry Invoice, CII

Relevant input

- Findings and output from CII V3 project
 - Updated Core Components, ABIEs and BIEs
 - Revised and refined core component definitions
 - Revised data type catalogue
- Contribution from German community
 - Implementation verification
 - ZUGFeRD as valid implementation of CII using the latest technical specifications

Maintenance of Cross Industry Invoice, CII

Activities to be performed

- Analyse gaps between:
 - latest version of the published CII
 - output from CII V3 project
 - Develop a library maintenance submission for CCL D15B including any missing ABIEs
 - Only CCBDA requirements
 - No new business requirements will be added
- The current library maintenance process to be used

Maintenance of Cross Industry Invoice, CII

Decision regarding the result from the gap analysis

Maintenance of Cross Industry Invoice, CII

- Only business information (components) in the latest published CII should be included in the CII based on CCTS 2.01, NDR 2.1 and CCBDA
 - No new business information should be included when performing this specific maintenance activity.
- Components in the published CII can be found to be missing in the CII v3
 - The missing components must be included in the CII based on CCTS 2.01, NDR 2.1 and CCBDA

Maintenance of Cross Industry Invoice, CII

- Additional business information can be found in the draft published CII v3 which is not part of the latest published CII v 2.
 - Additional business information (components) found in CII v3 will not be included in submission of this maintenance activity.
 - A submission including the additional business information can only be submitted by the requester of the business information
