Eleventh session, 22 – 23 June 2005

Item 8 of the provisional agenda

OVERVIEW OF UN/CEFACT OUTPUTS

Submitted by the UN/CEFACT Forum Management Group

The Forum Management Group maintains this project matrix as a resource for: facilitating coordination among projects, broadening collaboration with external organizations, and promoting review and comment by stakeholder communities for which the specifications are intended. Subsequent versions of this matrix will include in the Status column the current step in the Open Development Process (ODP) and the schedules for open reviews.
