Item 8(b) of the provisional agenda

Future work of the Committee on Sustainable Energy:**Approval of documents****Revised publication plans for 2019 and 2020 and draft publication plan for 2021****Note by the secretariat***Summary*

The General Assembly approved the proposed change from a biennial to an annual budget period on a trial basis (beginning in 2020). The first annual proposed programme budget was prepared for 2020 last year.

Given the decision of the General Assembly, the present document contains a list of planned publications 2021 proposed by the sustainable energy subprogramme on an annual and no longer on a bi-annual basis.

The present document also makes reference to already approved publication plans for 2018-2019 (ECE/ENERGY/2017/13, ECE/ENERGY/13, and ECE/ENERGY/119 – Annex) and 2020 (ECE/ENERGY/2018/8), to which the sustainable energy subprogramme wishes to introduce changes.

The titles of publications provided in this document are preliminary titles.

United Nations publications are published in response to legislative mandates or requests by intergovernmental bodies (ST/SGB/2012/2, para. 2.4 (a)).

The Committee on Sustainable Energy is invited to consider the document for approval at its twenty-eighth session.
