Dear Sir/ Madam,

You are kindly invited to participate in a series of meetings during **UNECE's Sustainable Energy Week**, to be held from 17-21 November 2014 at the Palais des Nations, Geneva, Switzerland.

In light of the decision of the UN General Assembly to declare the period 2014-2024 to be the Decade of Sustainable Energy for All (SE4ALL) and considering the role of energy in the the post-2015 development agenda, the **Committee on Sustainable Energy** will focus this year's dialogue on **"Energy for Sustainable Development"** featuring a reality check on energy transition, energy efficiency, renewable energy and gas.

The week will be structured as follows:

- 17 - 18 November 1st Session of the Group of Experts on Energy Efficiency
- 18 - 19 November 1st session of the Group of Experts on Renewable Energy
- 19 - 21 November 23rd Annual Session of the Committee on Sustainable Energy.

We will contact you soon with additional information.
