

Contribution of UNECE to the UNDA project on Enhancing energy security and improving access to energy services through development of public-private renewable energy partnerships

Gianluca Sambucini
Oleg Dzioubinski
SUSTAINABLE ENERGY DIVISION

Fifth International Forum on Energy for Sustainable Development
4-7 November 2014, Hammamet, Tunisia

UNECE Contribution

- UNECE developed a set of guidelines and training material on good practices and business models for PPPs on RE in rural areas (presented at meetings in November and December 2012) – Global 5Ps Development
- Proposal of converting the manual under the e-learning platform
- Link of the project with existing mechanisms such as UNECE International Centre of Excellence in PPP

Future Steps

- Report on Partnerships for Universal Access to Modern Energy Services
- Need to scale-up such site-specific initiatives to meet the challenge of universal access to modern energy services by 2030
- Over \$280 billion over 20 years, \$14 billion each year from 2010 to 2030
