

IFC'S CLIMATE BUSINESS

PATRICK WILLEMS

IFC EUROPE AND CENTRAL ASIA DEPARTMENT
RUSSIA RENEWABLE ENERGY PROGRAM

IFC

**International
Finance Corporation**

WORLD BANK GROUP

29 September 2015

Climate change is a strategic priority for IFC because it threatens development gains

Severe weather events

&

Aggravated resource constraints

Food Security

35%

arable Sub-Saharan land unusable in 4°C world ¹

44 million

people driven into poverty from rising food prices in 2010 ³

200 million

permanently displaced 'climate refugees' by 2050 ²

Fragile States

Health

5 million

illnesses due to climate change in 2012 ⁴

4% GDP

losses in Thailand from flooding in 2011⁵

Economic Impact
