- Projects all around the world
- Independent

BUILDINGS

INFRASTRUCTURE

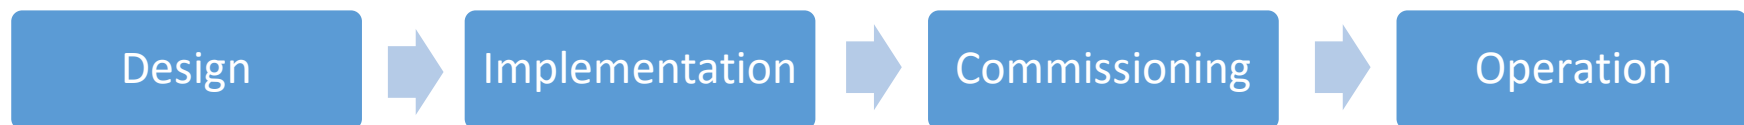

ENVIRONMENT

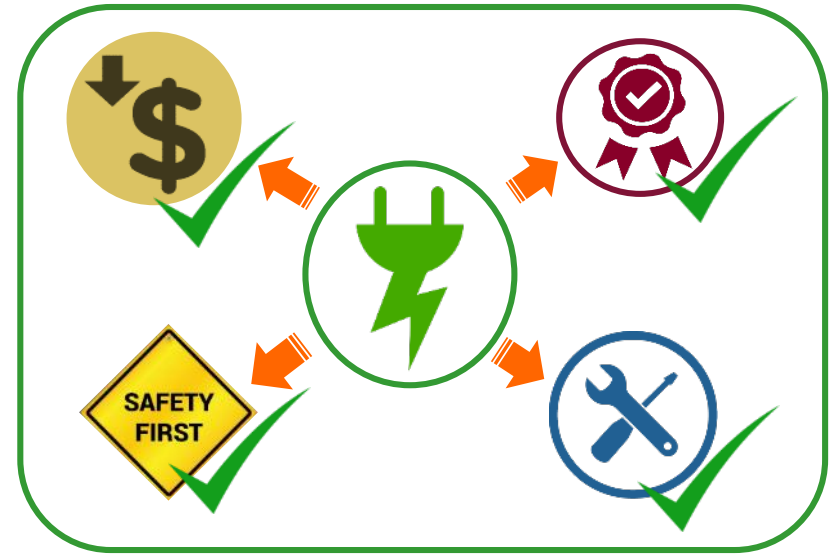

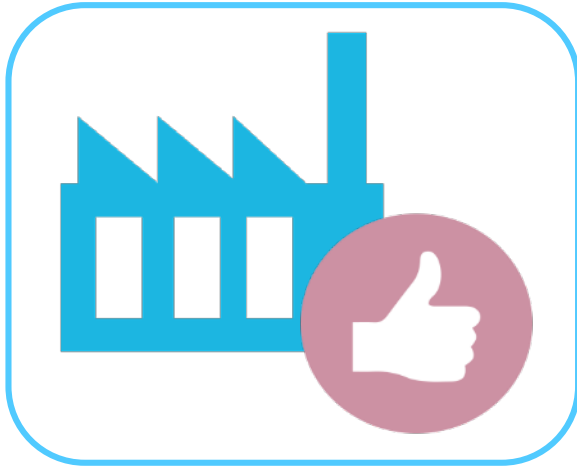

SMART AND SUSTAINABLE ENERGY

Every Phase of the project Life Cycle

WHAT INDUSTRIAL ENERGY EFFICIENCY NEEDS TO ACHIEVE MORE QUICKLY IT'S FULL POTENTIAL

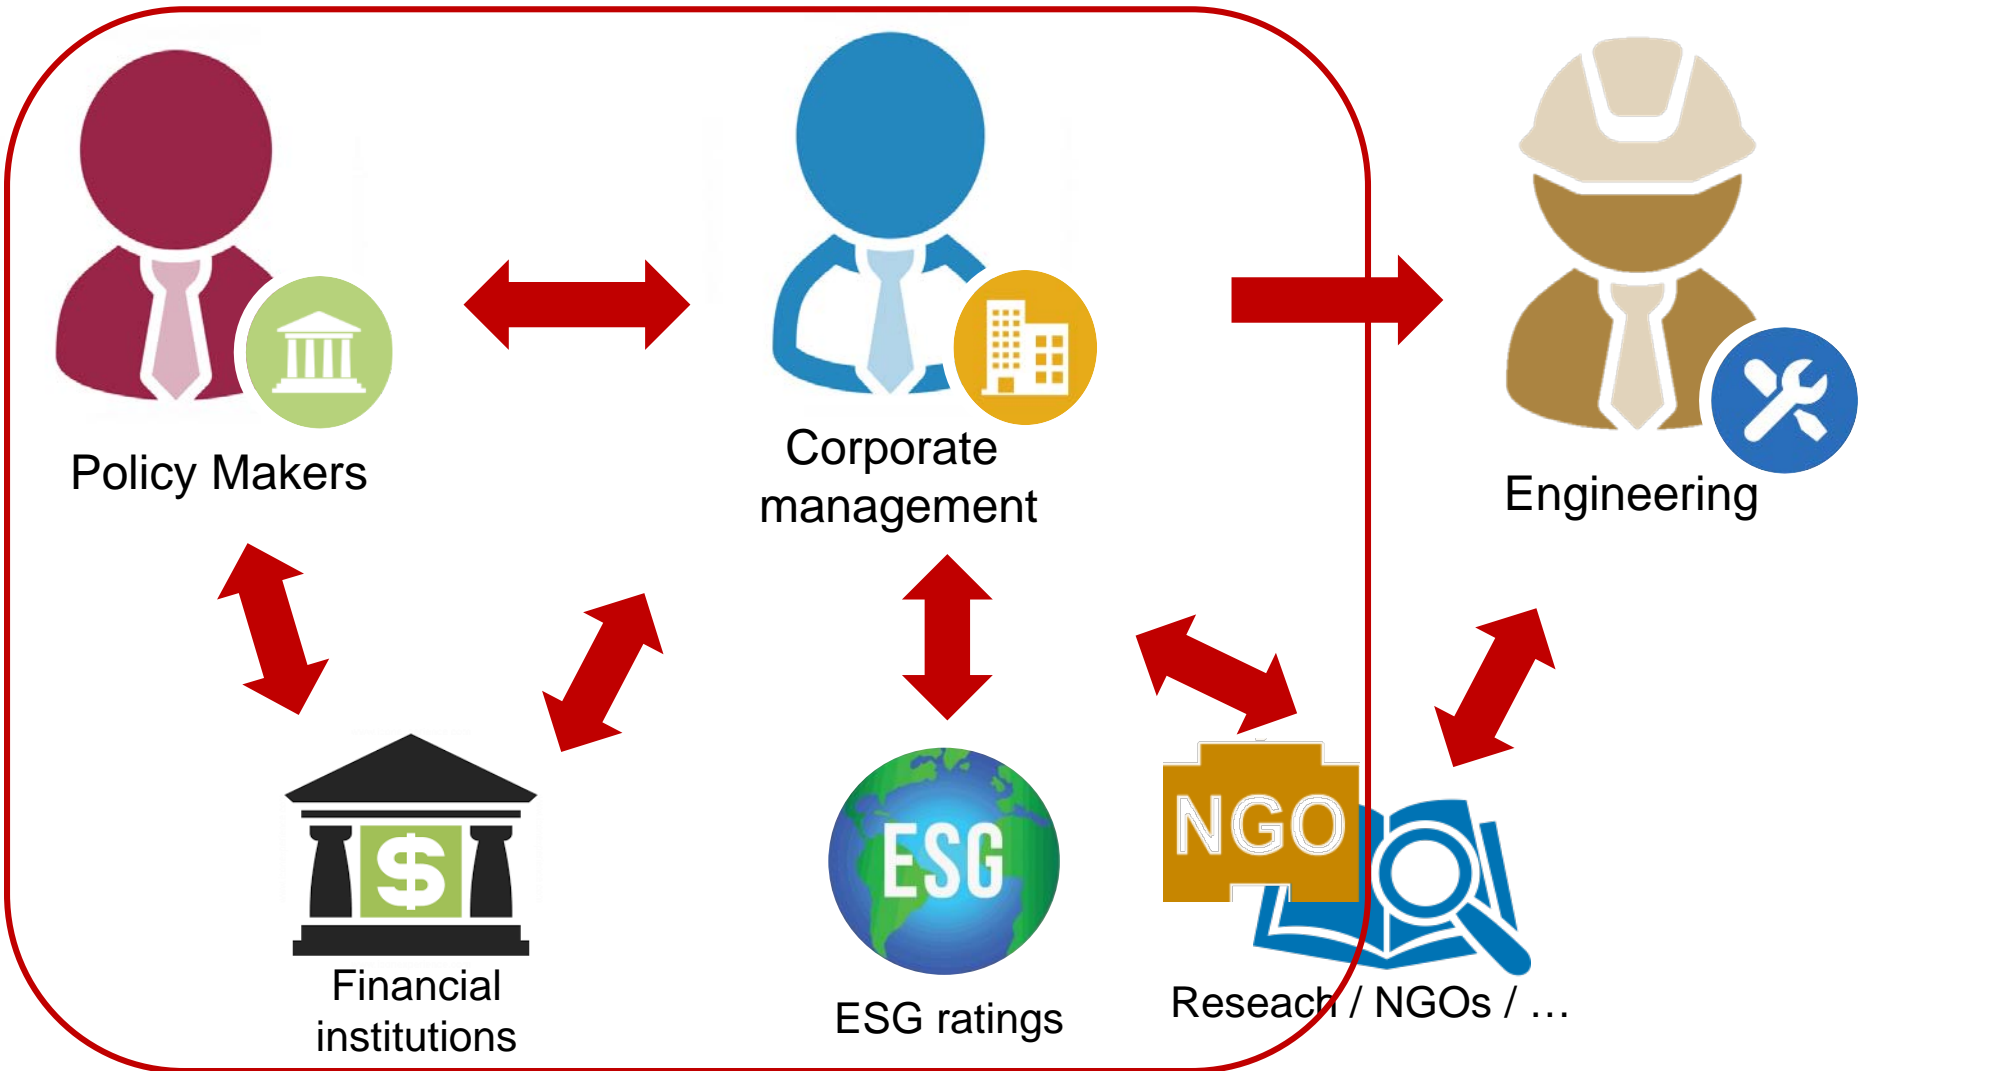

THERE ARE MANY VERY GOOD EFFORTS IN ACTION TODAY, SO WHY STILL THE CHALLENGE?

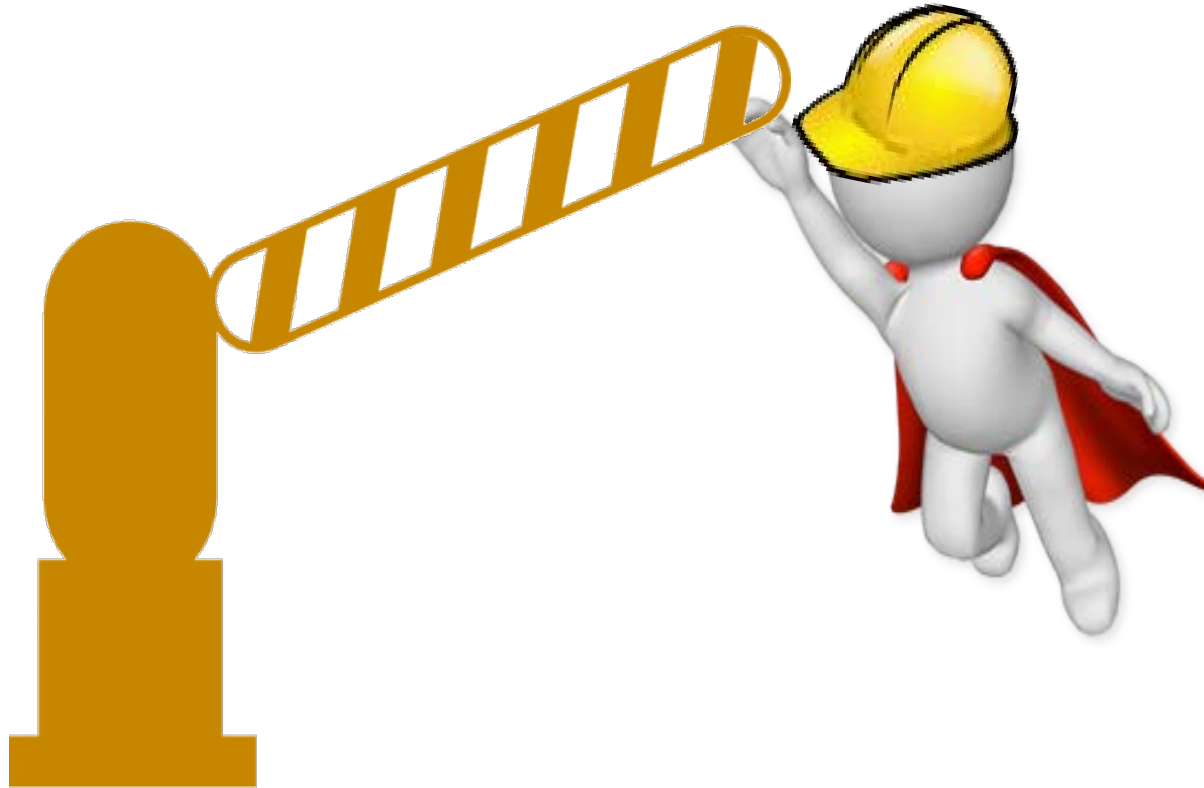

SOMETHING IS GETTING LOST IN COMMUNICATION BETWEEN THE DIFFERENT STAKEHOLDERS

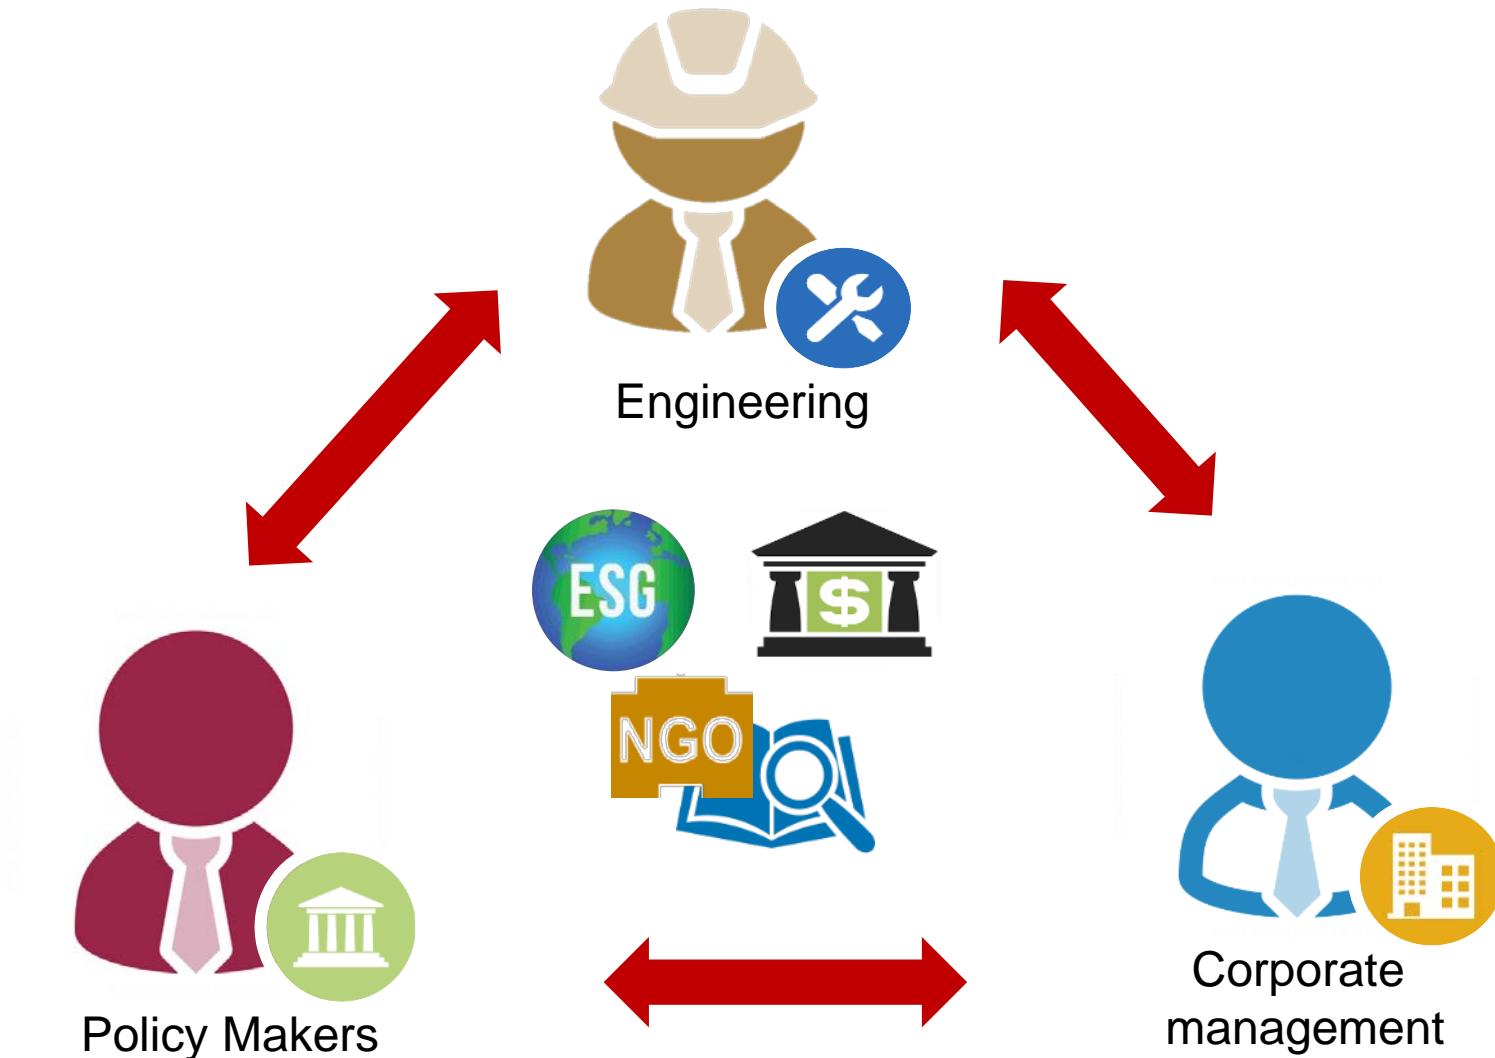

THOSE WHO HAVE TO ACTUALLY IMPLEMENT ENERGY EFFICIENCY ARE OFTEN THE LEAST CONSULTED

SO WHAT'S THE SOLUTION?

ENGAGING WITH THE ENGINEER TO HELP DESIGN THE MOST EFFECTIVE POLICIES AND STRATEGIES

"POLICY MAKER MEETS THE ENGINEER": UNECE WORKSHOP

18th January 2016
Palais de Nations, Geneva, Switzerland

Enabling policy makers to hear and learn directly from the people who are responsible for implementing energy efficiency projects within their companies
