

17.-Partnership to support achieving the 2030 Agenda targets

1: No Poverty link SDG8

2.- Zero Hungry link SDG8 & Gas for Fertilizers

3.- Health & well-being. Better air quality in-door & out-door

4: Education link SDG8 & Industry programs

5: Gender Equality Eliminate women barriers

SDG7.- Gas is affordable and abundant. Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG8.- Social & Economic Development

9.Gas-industry.-brings infrastructure & innovation

11. Sustainable Cities Gas to power, heating & transport

Sustainable Consumption Efficiency

Gas&Renew Biomethane

SDG13 Cleanest & economical for **Climate Change**

14.-Seas.- Gas for Maritim Transport

15.-Life on Land. Switching wood to gas reduce deforestation

SDG7.- Gas is affordable and abundant.
Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG13 Cleanest & economical for **Climate Change**

Gas&Renew
Biomethane

SDG7.- Gas is affordable and abundant.
Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG13 Cleanest & economical for **Climate Change**

Gas&Renew
Biomethane

SDG7.- Gas is affordable and abundant.
Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG8.- Social & Economic Development

SDG13 Cleanest & economical for **Climate Change**

Gas&Renew
Biomethane

SDG7.- Gas is affordable and abundant. Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG8.- Social & Economic Development

9.Gas-industry.-brings infrastructure & innovation

1: No Poverty link SDG8

SDG13 Cleanest & economical for **Climate Change**

Gas&Renew
Biomethane

SDG7.- Gas is affordable and abundant.
Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG8.- Social & Economic Development

9. Gas-industry.-brings infrastructure & innovation

1: No Poverty link SDG8

2.- Zero Hungry link SDG8 & Gas for Fertilizers

SDG7.- Gas is affordable and abundant. Gas infrastructure & LNG & LNG trucks facilitate the accessibility (remote areas)

SDG8.- Social & Economic Development

9. Gas-industry.-brings infrastructure & innovation

SDG13 Cleanest & economical for **Climate Change**

Gas&Renew Biomethane

1: No Poverty link SDG8

2.- Zero Hungry link SDG8 & Gas for Fertilizers

3.- Health & well-being. Better air quality in-door & out-door
