

Developing a Renewable Resources Reporting Methodology – Why, How, Who?

Scott Foster
Director

UNECE Sustainable Energy Division

**7TH INTERNATIONAL
FORUM ON
ENERGY FOR
SUSTAINABLE DEVELOPMENT**

18-21 OCTOBER 2016 • BAKU-AZERBAIJAN

Sustainable Development Goals

Energy needs investment!

Sustainable energy

= USD 1.25 trillion per annum

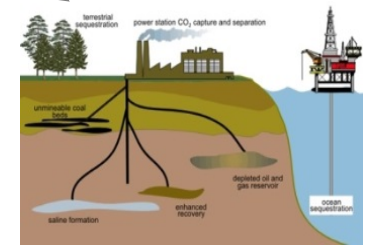

= 3x current levels

What do investors want to know?

- Socio-economic**
- Technical feasibility**
- Uncertainty**

UNFC – United Nations Framework Classification for Fossil Energy and Mineral Reserves and Resources

Bridged to Russian Federation

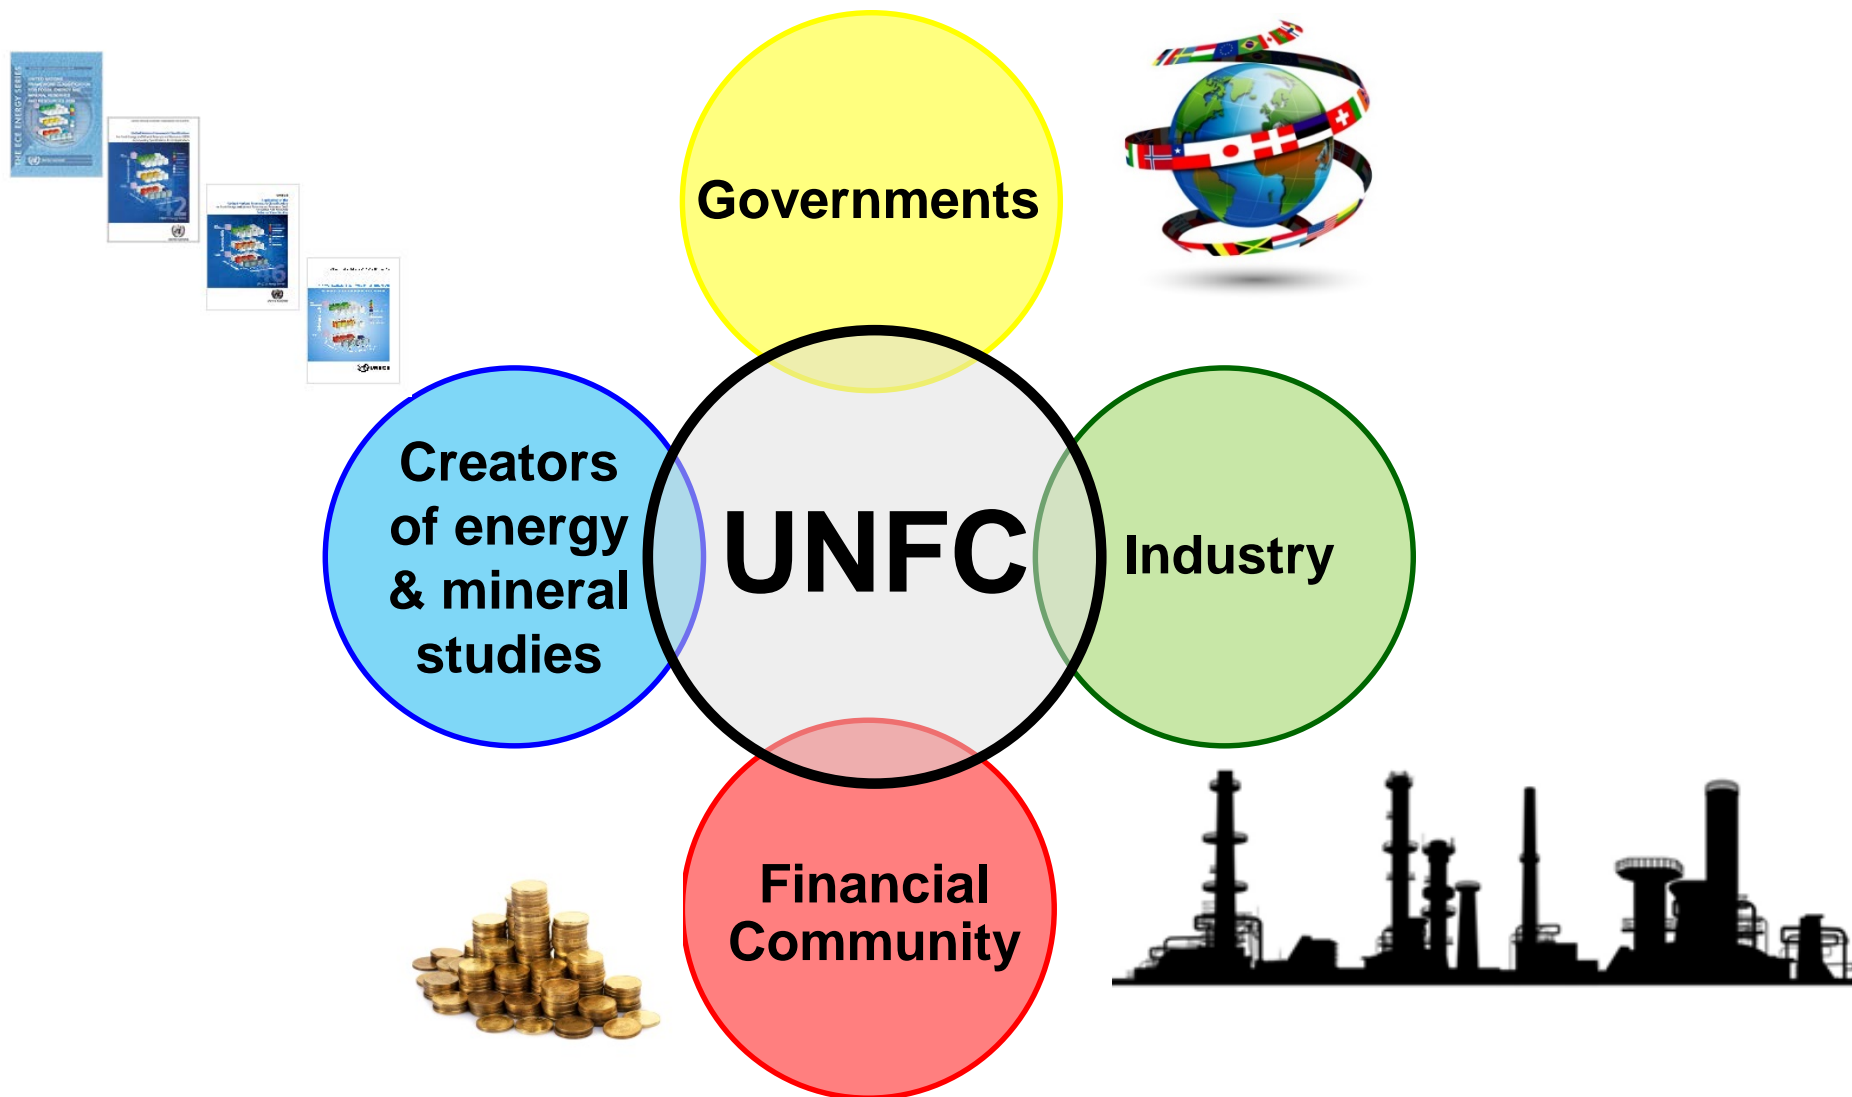

Working to bridge to Chinese

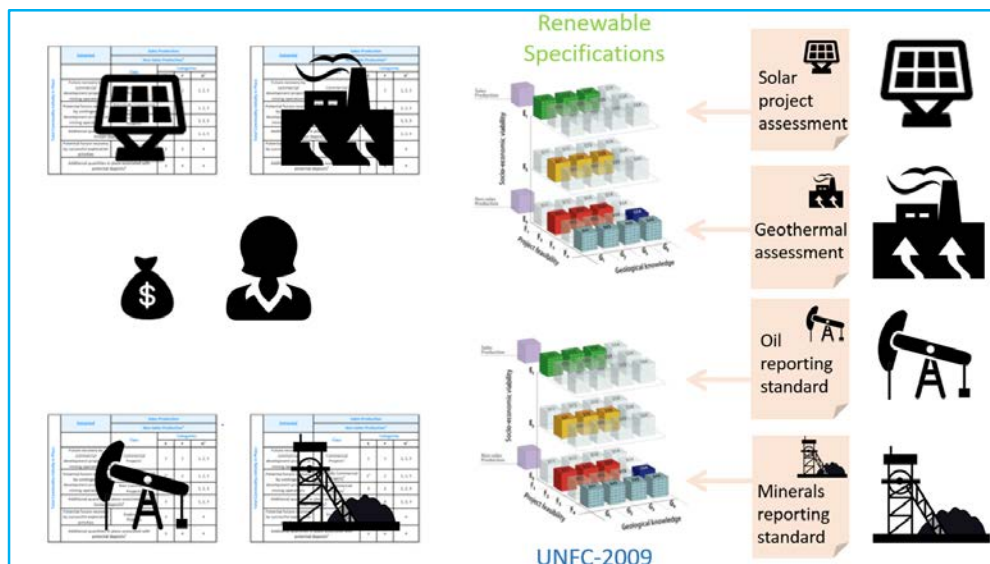

Environmental and Social Guidance
