

Round table on increasing the investment potential of the BRICS and Central Asian countries through UNFC and UNRMS

Improving national capacities of Central Asian countries to harmonize and implement an internationally applicable system of classification and sustainable management of energy and mineral resources

Capacity building project to support application of UNFC

Funded by the Russian Federation (US\$ 161,000; 2017-2019)

ENERGY

Title: Improving national capacities of Central Asian countries to harmonize and implement an internationally applicable system of classification and sustainable management of energy and mineral resources (<http://www.unece.org/energy/welcome/areas-of-work/unfc-and-sustainable-resource-management/projects/unfc-for-central-asia.html>)

Beneficiary countries:* Kazakhstan, Kyrgyzstan, Tajikistan, Turkmenistan, Uzbekistan

Objective: To improve national capacities of Central Asian countries to harmonize and implement internationally applicable system of classification and sustainable management of energy and mineral resources

Expected accomplishments:

- Improved national capacities to develop national system for classification and sustainable management of all energy and mineral resources based on the UNFC
- Improved knowledge and skills of national stakeholders to apply UNFC for energy and mineral resource projects

* We regret non-participation of Turkmenistan heretofore in the project's activities

Project development stages

Activities

ENERGY

A.1.1	Develop assessment reports on the status of energy and mineral classification systems in the project countries	Kazakhstan , Kyrgyzstan , Tajikistan , Uzbekistan
A.1.2	Organize one sub-regional workshop to validate the assessment reports and to develop policy recommendations for adoption of UNFC to countries' national regulatory framework	UNFC Central Asia Workshop (Geneva, 30 April 2019, at UNECE Resource Management Week 2019)
A.2.1	Prepare national case studies on application of UNFC to energy and mineral resources	Case studies received – to be refined and published online
A.2.2	Organize a concluding workshop to discuss the case studies and follow-up actions to implement policy recommendation on application of the national UNFC systems	Round table on increasing the investment potential of the BRICS and Central Asian countries through UNFC and UNRMS (Tyumen, 17 September 2019)
