5. Thematic priorities of the “Environment for Europe” process for the Eighth Ministerial Conference

In the table below, please indicate thematic priorities that might be addressed at the Eighth EfE Ministerial Conference, including a brief justification note for each proposed priorities. Please also indicate how strongly you agree or disagree with the proposed several themes, as well as organising a high-level segment on MEAs and the proposed theme. Please kindly note that the idea to organize a high-level segment on MEAs emerged from the discussion at the informal meeting of representatives of governing bodies of MEAs and CEP (Geneva, 27 February 2013).

First thematic priority (an “established” theme of importance to the entire region, e.g. the Astana Conference addressed the “established” theme sustainable management of water and water related ecosystems)

Please propose a theme: ...

Please elaborate (up to 250 words):

...European ECO Forum will have its internal discussions on possible themes and will have its proposal ready for the upcoming CEP meeting in October 2013.

Second thematic priority (an “emerging” theme of importance to the entire region, e.g. the Astana Conference addresses the “emerging” theme greening the economy: mainstreaming the environment into economic development)

Please propose a theme: ...please see above
