Vec: „3. and 4. Unit Khmelnytsky – nuclear power plant (KhNPP) VVER-1000“
– reply to e-mail (№5/1-13/2150-14 zo dňa 13. 02. 2014)

Pursuant to the provisions of Convention on environmental impact assessment in transboundary context (hereinafter „Espoo Convention“) received the Ministry of environment of the Slovak Republic, section of environmental assessment and management, department of environmental assessment (hereinafter „MŽP SR“) on 17. February 2014 by e-mail your information on the progress in the realization of the project „3. and 4. Unit Khmelnytsky – nuclear power plant (KhNPP) VVER-1000“ which state enterprise *National corporation for nuclear energy Energoatom, Vetrova st., 010 32 Kiev, Ukraine*, intends to realize.

In the information you expressed as the part of origin to the comments from the Slovak Republic as concerned party and you also advised of the web site where is possible to find documentation in English.

Thank you for your comments on our questions number 1, 6, 12 and we will follow the process of further realization of the project which should solve our questions number 2, 3, 4, 5, 7, 8, 9, 10, 11.

Based on the fact that our questions for Ukrainian side raised in realization of the project „3. and 4. Unit Khmelnytsky – nuclear power plant (KhNPP) VVER-1000“ were not exhaustively answered by the competent authorities we would like to request to keep Slovak side informed in process of authorization and construction of nuclear power plant Khmelnytsky. We also require to subsequently present the missing information according to their availability during the various stages of the approval and construction process.

Best regards
