Dear Ms. Petek,

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991) and its Protocol on Strategic Environmental Assessment (Kyiv, 2003).

At its thirty-second session, held in Geneva from 9 to 11 December 2014, the Committee continued its consideration of the information it had gathered on the planned construction of nuclear reactors 3 and 4 at the Khmelnytskyi Nuclear Power Plant in Ukraine (EIA/IC/INFO/10).

At the request of the Committee I am now writing to ask you to provide information on the progress of the transboundary environmental impact assessment procedure regarding the above-mentioned activity.

You are kindly invited to provide the information to the secretariat by **2 March 2015** for consideration by the Committee at its next session.

Yours sincerely,
