Ref. EIA/IC/INFO/10 Khmelnytskyi nuclear power plant

19 September 2014

Dear Mr. Tarasenko,

I am writing to you on behalf of the Implementation Committee under the Convention on Environmental Impact Assessment in a Transboundary Context (Espoo, 1991).

At its thirty-first session, held in Geneva from 2 to 4 September 2014, the Committee continued its consideration of the information it had gathered on the planned construction of nuclear reactors 3 and 4 at the Khmelnytskyi Nuclear Power Plant in Ukraine (EIA/IC/INFO/10). The Committee also reviewed the additional information provided by the Government of Ukraine on 12 March 2014 and its letter of 25 June 2014 in response to the Committee's questions of 14 March 2014, but found this information incomplete. The Committee agreed that it would continue its consideration at its next session.

You are once more invited to provide concrete and comprehensive answers to all of the Committee's questions, included in the Committee's letter of 14 March 2014. Please provide the requested information in English by no later than **21 November 2014** for the Committee to consider at its next session.

Yours sincerely,

Felix Zaharia
Chair, Implementation Committee,
Convention on Environmental Impact Assessment
in a Transboundary Context

Mr. Alexandr Tarasenko
