

3rd session of the Meeting of the Parties to the
Protocol on Water & Health. Oslo, 25-27 November 2013

Task Force on Target Setting and Reporting

Programme of work 2014-2016

Federal Office of Food Safety and Veterinary Affairs

Pierre Studer, Switzerland

Future work of the TFTSR

has to focus on the following

- Support the setting of targets
- More specific support to reporting , peer-to-peer assistance, expert advices
- More focus on measures to implement targets

Challenge: targets related to wastewater

Improving the quality of reporting

- Increase the reliability of data reported
- Combine reporting exercises with Sustainable Development Goals (JMP)
- Analyse the reports to reveal the main water and health-related trends

Subregional workshops

- Proposed items:
 - Access to water supply and sanitation
 - Water related diseases
 - Water discharge and treatment
 - Feasibility studies and cost/benefit analysis

Meetings of the TFTSR

- One annual task force meeting
- Ideally combined with
 - A regional workshop on a common issue
- Subregional workshops on dedicated items (target setting in the Balkans)
