

# Decision to be taken at the Meeting of the Parties

## Implications for MENA countries

Francesca Bernardini, Secretary to the UNECE Water Convention

# Draft decision on reporting under the Convention

Decision to:

- Establish a mechanism to facilitate monitoring of implementation of the Convention
- Help identify specific needs of basins
- Support capacity-building and technical assistance activities

A pilot reporting exercise to take place in 2016-2017, MENA countries invited to participate

# Draft decision on establishing a framework for the implementation of the Convention at the global level

Decision to:

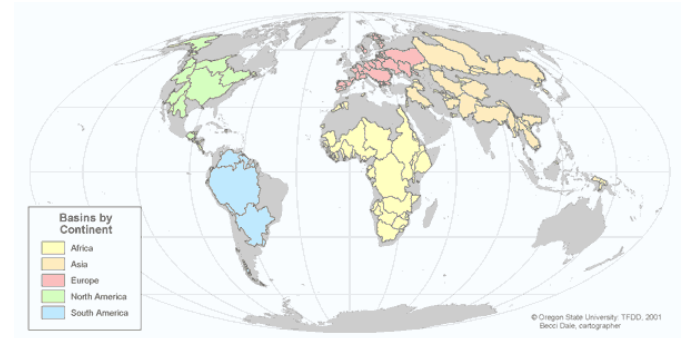

- Prepare Convention for future implementation & operation at global level

- Invite interested MENA countries to participate in and contribute to the activities in Convention's programme of work

- Call upon Parties to assist non-Parties in efforts to accede & implement two Conventions

# Draft decision on establishing a framework for the implementation of the Convention at the global level

 Future development of a strategy for the globalization of the Convention

 → MENA countries invited to associate themselves to decision in MOP interventions

# Draft decision on cooperation with partners for the implementation of the Convention

A decision to

- Formalize & foster cooperation with new and existing partners worldwide
- Associate non-Parties

→ MENA countries invited to contribute to the discussion:

- by confirming existing partners of the Convention or proposing new ones
- by supporting the decision
